

Course title: Elementary Academics

Grades: 1-5
Instructor: Kim Schuler
Class size: 12
Homework: Daily assignments
Materials: Math and phonics workbooks
Day(s)of the week: Wednesday
Pre-requisite: None

Course Description: *We will be using a curriculum chosen by the teacher for both math and phonics. For spelling we will use The Writhing Road to Reading Program. We will be doing mini units in science and in history.*

Course title: Explorers

Grades: K-1
Instructor: Debra Cook
Class size: 10
Homework: None, but parents may want to use the course as a guideline for home study
Materials: None
Day(s)of the week: Wednesday
Pre-requisite: Ready to learn!

Course Description: *This class is an exploratory **hands-on** class for Kindergarten and 1st grade students. Each unit integrates areas of math, phonics, writing, science, art, music, and social studies. **A change from previous years is that Spanish lessons will be included in the curriculum.***

Parents are encouraged to reinforce weekly skills learned in class at home. With that in mind, a monthly newsletter previewing monthly events and studies will be emailed to parents at the beginning of each month to guide at-home review.

Course title : STORYPATH-SAFARI IN KENYA

Grades: 1-2
Instructor: Mrs. Page
Class size: 15
Homework: Minimal/As directed by teacher
Materials: Parents will be notified as needed
Day(s) of the week: Wednesday
Pre-requisite: Beginning reading and writing skills

Course Description: Course Description: *The students will immerse themselves in a trip to Kenya by virtually becoming photographers and tourists, imagining the journey and Safari, studying the Maasai Mara Game Reserve, creating a Maasai village, learning about the wildlife and geography of the region and the culture of the Maasai people.*
