

Club Name	Advisor	Meeting Days/Time	Description
Art Club	Francesconi	Tuesday 2:30 534	Do you like to doodle or even create elaborate artistry with pencils, paints, dyes, ceramics, and more? No experience necessary, just have a love for art and hanging with friends to explore your creativity!
Asian Pacific Islander	Koerber	Thursday 2:30 102	
Book Club	English	Wednesday 2:30 Library	The purpose of Book Club is to create a place for student where they can read and discuss books, and learn about different literary genres as well as to interact with fellow GP students who share a common interest.
BSU (Black Student Union)	Juhl	Thursday 2:30 Room 309	The Black Student Union (BSU) hopes to create cultural unity and provide a safe space for student to talk about things that impact their lives. A group where students can meet with other people who understand the things they experience in life.
Chinese Club	XU	2nd Tuesday 2:20 Room 208	We are exploring Chinese culture and food while also having fun playing games.
Dance Club	TBD	TBD	Glacier Peak High School's competitive dance team is selected by a tryout process in April of the previous school year. These students are advancing dancers who are committed to expanding their technique, knowledge, and professionalism in a range of dance styles, including hip hop, jazz, modern, and performance. Balancing out the demanding workload of dance team are opportunities for travel, friendship and memories that last a lifetime!

Debate Club	Hanson	Tuesday/Thursday 3:00-4:00 Room 302	Students compete in a wide variety of speech, argumentative, and theatrical events against other schools in our region. Our team members regularly qualify for the Washington State tournament, as well as the NSDA National tournament.
FCCLA	Harrelson	4th Monday 2:15 Room 535	FCCLA is a club that helps students become leaders in their family, careers, and communities. FCCLA provides opportunities for students to learn new skills in Family and Consumer Sciences while helping the community.
FFA	Ashmon	Wednesday 2:30 Room 108	FFA-Vet Science Club is available to students in Animal or Advanced Animal Biology for active membership. Other students not enrolled in those courses may attend meetings but may not become active members. This club focuses on veterinary medicine and the multiple FFA Vet science competitions that lead up to the State Competition at WSU.
Film Club	Sandstrom	Wednesdays 2:30-3 Room 505	For students who are interested in all things related to film and the filming industry.
Future Medical Professionals	Szocik	Friday 12:20 Room 702	The goal of this club will be to help members learn how become part of the medical field by learning about college, future jobs, etc., as they learn the best way they can help others
Game Club	Benson	Thursday 2:17 Room 209	Board games, video games, and role-playing games. Tournaments and parties!

German Club	Trott	Wednesday 1st/3rd 2:20 Room 308	Join the German Club to learn more about German culture through the arts, music, food, and so much more!
Impact Club	Dooley Francesconi	Monday 2:30 Room 706	Impact Club is an inclusive, accepting and safe space for all students to find support and contribute to a positive community. We are dedicated to creating a safe environment for LGBT+ students and bringing awareness to issues on sexuality and gender.
Japanese Club	Morgan	Thursday 2:30 Room 321	This club is established to introduce students to the Japanese culture through food, music, language, and traditions.
Key Club	Johnson White	Tuesday 2:20 Room 307	We provide our members with opportunities to serve, build character, and develop leadership. Key Club members around the world are learning how to lead and stand for what's right through service and volunteerism.
Knowledge Bowl	Blair	Tuesday Grizzly Period 303	Basically, "Team Jeopardy". Students compete against teams from other schools in competitions that happen once a month beginning in November...the state tournament in March.
Latinos Unidos	Mulka	Tuesday Portable 902 2:30	Latinos Unidos stands for inclusion, support, love, and unity for all people. We promote sharing, helping and listening to others, regardless of beliefs, ethnicity, language abilities or any other criteria. We hope to elevate understanding and communication between students of all cultures, including but not limited to Latinos at Glacier Peak. We accept all students interested

			in the pursuit of these ideals.
Model UN	Hauck	Monday 2:20 Room 315	Model UN is a national program that engages students in role play simulations around significant global issues. As the world becomes increasingly interconnected and interdependent, Model UN provides an opportunity for students to learn more about world issues, foreign affairs, and global citizenship. Students will have the opportunity to attend a Model UN conference where they simulate UN committees. You will also learn researching, public speaking, debating, writing, critical thinking, teamwork, and leadership skills.
One Voice	Deurbrouck	Thursday 2:30 Room 314	We'll study the Bible, pray, and discuss outreach opportunities.
National Honor Society	Browning	Refer to our Canvas page for announcements of dates. Meetings will be held during Grizzly Period in the PAC	NHS is a service-oriented club for students who excel in scholarship, leadership, service, and character.
RAKE	Corwin	Wednesday Lunches Room 203	RAKE's goal is to unite the GP Community through random (and intentional) acts of kindness. To make sure members of our community feel like they matter. All are welcome!
Robotics	Wilson	Monday 6-8 p.m. Room 112	Club activities involve not only the technical aspects of robotics, but also website design, business modeling, game strategy, booth design, and other artistic ventures. Through robotics you will learn valuable skills such as leadership, communication, and real-world work experience. FIRST Robotics team members are eligible to apply for \$80 million in scholarships. No experience

			necessary.
Spanish Club	Mulka	Tuesday 2:20 p.m. Portable 902	
Sports Med	Szocik	TBD	We promote healthcare career opportunities and enhance the delivery of quality health care to all people. Human anatomy, physiology, nutrition, medical terminology, injury prevention, injury diagnosis, therapeutic modalities, and rehabilitation topics will be discussed.
Theatre Club	Jordan	1st/3rd Wednesday 2:20 PAC	Students learn with hands-on experience all about theatre. They can take part in all elements of theatre from lighting, sets, and costuming, to production, singing, acting and dancing.
Turning Point USA	Ringwood	1st Monday 2:30 College and Career	Turning Point USA GPHS is a place to have dialogue and discuss fiscal responsibility, free markets, capitalism, and American principles. All are welcome.
Unified Club	Gere	TBD	Unified club is open to everyone and we as a club are committed to creating an inclusive, welcoming environment for all students at GP.
