## Tips to consider:

- If my child has a cold, but no fever (less than 100 degrees), I can send him/her to school anyway.
- If I can't drop my child off or escort him/her to the bus stop, I can find a relative, friend or neighbor who will do this for me.
- If my child is absent for more than three days, I can contact his/her teacher(s) or the school office to find out what he/she missed.
- I will make every effort to schedule medical and dental appointments for afterschool hours.
- I will strive to schedule haircuts and other nonmedical appointments outside the school day.

## Attendance Tracking and Tips for Families

Child 1	Date and reason for absence	Excused?
	absence	
Child 2		

Should you find that your child has more absences than there is space to record them, it is likely that absences are having a significant impact on learning.

Please feel free to contact the school. We are here to support you and your child.
