# Join Choir!! GPHS offers: Concert Choir & Symphonic Choir

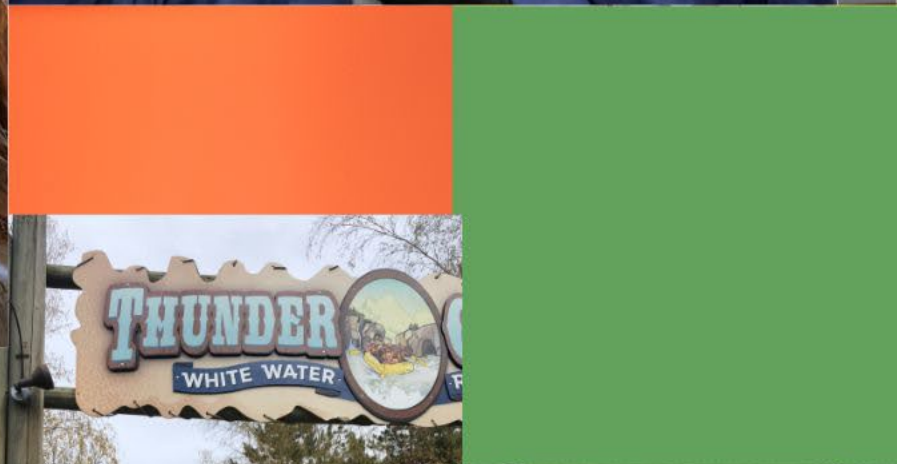

Freshmen start with our beginning choir, which is Concert Choir. This is also open to beginning students in the upper grades who are just learning the ropes in music.

Symphonic Choir is an auditioned choir for Sophomores thru Seniors. This select group works on more advanced music and is for students who have had a minimum of a year's experience with singing.

Come on and join the gang! We always have fun learning about music and gaining skills in piano basics, music theory, singing techniques, reading music, songwriting, and best of all... a great community of forever friends!!

*Mrs. Lamont*
