CTE EQUIVALENCIES

CTE Course Equivalencies- Two for One

2
Requirements

1
Credit

Equivalencies

How does it work?

For example, taking Advanced CADD (yearlong) earns one credit toward the 24 required for graduation and fulfills two graduation requirements.

ONE CREDIT:

Advanced CADD

TWO REQUIREMENTS:

✓ 1 Requirement- CTE

✓ 1 Requirement- Art

- **Creates flexibility to choose more elective courses**
- **Can address other graduation requirements**

Students- check with your high school counselor or college admission offices to make sure the course will be accepted for admission purposes.
NCAA Requirements: Potential D1 or D2 athletes should check with their counselors annually regarding which Snohomish School District equivalency credits have been approved by the NCAA.

The current rule change to WAC 180-51-067 allows school districts to grant equivalency credit for courses offered in high schools.

Students who take a CTE-equivalency course may satisfy two graduation requirements while earning 1.0 credit for a yearlong course or 0.5 credit for a semester course; hence the "two for one".

For a list of current approved course equivalencies please visit the CTE section of the Snohomish School District Website.

CTE equivalencies are noted in the CTE program sections in this handbook.

COLLEGE ADMISSIONS REQUIREMENTS

Senior Year Math-Based Quantitative Course: During the senior year of high school, students must earn a credit in a math-based quantitative course or by completing an algebra-based science course taken during the senior year (Chemistry or Physics)

*Exception: Completion of higher-level math prior to the senior year exempts students from the senior-year quantitative course requirement (i.e. pre-calculus)

CADR: See more information about college admissions requirements on page 8 of your course book

Senior English: Not all universities will accept Publications, Consumer Law and Law and Business for English credit. Check with your counselor for more information.

GRADUATION REQUIREMENTS

English	4.0 Credits
Social Studies	3.0 Credits
Math	3.0 Credits
Science	3.0 Credits
P.E.	1.5 Credits
Health	0.5 Credit
Career & Tech Ed	1.0 Credit
Fine Arts	2.0 Credits**
World Language	2.0 Credits**
Electives	4.0 Credits
Total	24.0 Credits

**Personalized Pathway Requirement

How Do the 24-Credit Graduation Requirements Add Up?

$$17 + 3 + 4 = 24$$
