Additional Information

For course descriptions or to view prerequisites, please visit the Course Catalog through the QR code above.

Questions about a specific class, homework, overall experience?

Review the course guide and then reach out to your subject teacher, the teacher who currently teaches the class, or your counselor!

Questions about graduation requirements?

If you have questions about graduation requirements, make sure to write them down and ask the counselor during your 1:1 check in!

Please remember to pick classes you would like to include in your schedule, there will not be an opportunity next year to request changes.

Other Questions:

- ▶ **New to GP Student Info**
 - ▶ After variances are approved, we reach out to families with enrollment information.
- ▶ **When are schedules released?**
 - ▶ Schedules will be released on approximately August 31, 2023.
*Schedules are released **on Skyward** one week before school starts in the fall.*
- ▶ **Student Start Up**
 - ▶ Student Start Up will be **August 22 and 23, 2023.**
 - ▶ Pictures taken, ID/ASB cards received, and pay for items like ASB and yearbooks. Student store open for Grizzly Apparel sales.

Helpful Guidelines for Families:

- ▶ **Middle school classes on high school transcripts**
 - ▶ Middle school math grade (Algebra 1 or Geometry) on your transcript: you can opt out prior to the end of your junior year.
 - ▶ A letter will be sent home to everyone as a reminder.
- ▶ **Support choosing classes**
 - ▶ *It is import to help your child choose appropriate classes because that is how we build the master schedule, and they will be unable to change their courses once we build their schedules.*
 - ▶ Use the templates and charts provided
 - ▶ Read the information in the course catalog: available online on the GP website & students receive it on March 14th

ASB LEADERSHIP

Servant Leadership is the foundation of our program here at Glacier Peak. Our main objective is to strive to meet the needs of our school community. The Introduction to ASB Leadership course provides a foundation for building skills in communication, group process, managerial skills, and project planning. Units are presented in an interactive, application-based model.

The Advanced ASB Leadership course applies the foundational skills of leadership to serving the school community through activities, events, service projects, and recognition.

ASB SENATE

PURPOSE: To promote a friendly and purposeful relationship between the school and community, encourage participation in extra-curricular activities, to establish high standards of leadership, cooperation, citizenship, and a better understanding of democratic government.

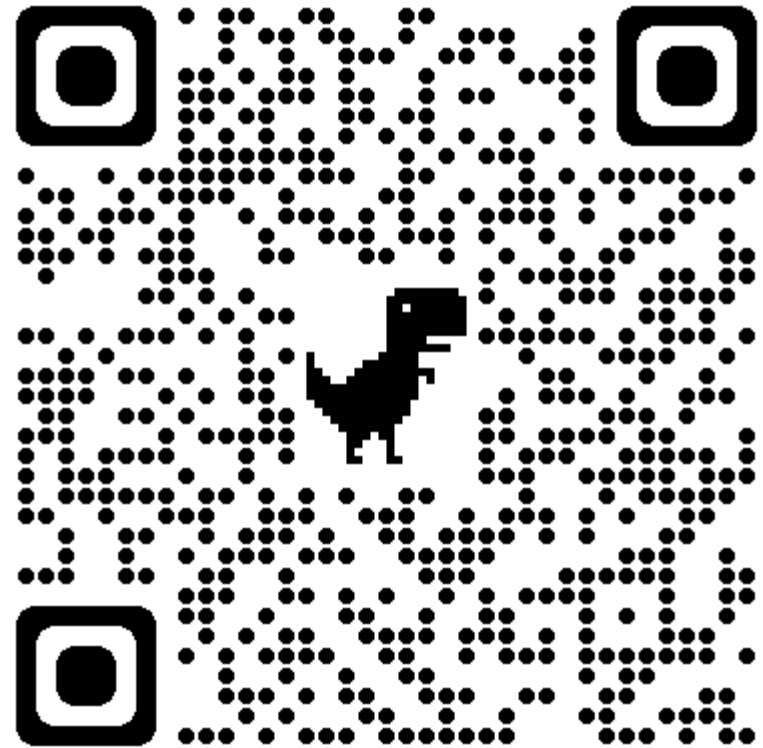

OPPORTUNITIES:

- **Class Officers:** Four elected officers serve their grade level by planning grade level activities and fundraisers.
- **Senators:** Nine elected senators per grade level, one appointed. Senators are the decision-makers of the Senate.
- **Judicial Branch:** Two appointed positions per grade level. Justices make sure the Senate operates according to the ASB Constitution.

Club Opportunities

- Clubs provide students the opportunity to connect with peers through a common interest.
- There are over 44 active clubs at GP.
- Clubs meet before school, during Grizzly Period/Lunches, and after school.

GP Athletics
