about/events.html](http://watrcenter.edmonds.edu/about/events.html)

Bring your **Core Plus Skills Certificate** to the **Washington Aerospace Training & Research (WATR) Center** and take a free test based on what you learned in the Core Plus program. **Once you pass, you will qualify to enroll directly in one of WATR's four programs at a reduced rate.**

Normally WATR programs cost \$5,700 and take 12 weeks to complete. Students with a Core Plus certificate and pass the test are able to complete the program in 8 weeks for just \$4,200.

**A SAVINGS
OF 4 WEEKS
AND \$1,500!**

CHOOSE FROM FOUR PROGRAMS

MANUFACTURING
ASSEMBLY MECHANIC

ELECTRICAL ASSEMBLY
MECHANIC

MANUFACTURING
COMPOSITES

TOOLING MECHANIC

Edmonds College has partnered with Boeing through the WATR Center to launch students who want a career in manufacturing.
