

Class of 2020- Senior Portrait Submission

Due date: October 18, 2020 -Don't wait until the last minute!

If you do not submit a photo by the due date or your photo doesn't meet the below requirements, your school picture will be used without any notice. If you don't get your school picture taken on picture day or make up day then you will not be in the yearbook without any notice.

Requirements:

- JPEG format, RGB color, Maximum file size 20MB.
- File name: Last Name_First Name_2020 (please name this prior to uploading).
- 300 dpi/ppi Resolution -This is the most important part to get correct. This is a full resolution for print images. Cell phone photos and photos from the web are too small to reproduce in the yearbook.
- Vertical image-2 ½ inches wide x 3 ½ inches tall image with the head size 2" from the top of the head to the bottom of the chin. **The photo is from the chest up, not a full body shot.** CROP your photo prior to uploading it. If you submit a full body shot then your ASB photo will be used.
- The background should be informal (outdoor or indoor) with no flags, figures, symbols/words/numbers, animals, vehicles, any other people. No hats or tattoos. This is just a picture of your face.

BEFORE YOU START:

1. Make sure photo is the correct size/format. Your photographer should provide you with the correct size image. Give them the requirements stated above.
2. Don't take an image off social media or a phone. (Why? Because if you copy images from internet or a phone, they can be reduced in size and they will appear blurry in the book.)
3. Make sure your name (of the picture) is saved in your computer as: **Last Name_First Name_2020**

To submit senior photos go to <http://www.hjeshare.com/eShare/?code=SHS2020>

Or <https://www.hjeshare.com/eShare/index.html> and type in the school code which is SHS2020.

It is crucial that you only submit ONE senior photo AND that the photo is properly labeled (see above).

You'll be asked to fill out the following fields, where it says "your name" please put the name of the student. Under email, please include the parent or guardian's email.

On September 16 senior photos will be posted in the cafeteria. Your student will need to check and see that their photo is there (email confirmations will not be sent out). The senior photos will be updated daily.

Parents: Applaud your child's achievements with a tribute in their yearbook. Celebrate with words of congratulation, praise & encouragement. Baby advertisements are due by October 25, 2019. Late advertisements will not be accepted.

Helpful tips and tricks:

- We do not check the spelling. Double check that you have spelled everything correctly (names, quotes, etc).
- Find pictures that are meaningful to you and your family.
- Avoid including pictures of boyfriends/girlfriends as we cannot go back and edit the baby ad once it has been submitted.
- This is your time to tell the student how proud you are of them, reminisce, and look forward to their future. Don't be afraid to express yourself! ☺
