

CLASS OF 2025 SENIOR PORTRAIT SUBMISSIONS

Due October 19, 2024

**DON'T WAIT
UNTIL THE LAST MINUTE!**

Before you Start:

1. Make sure photo is the correct size/format. Your photographer should provide you with the correct size image. Give them the requirements showed in the picture above.
2. Don't take an image off social media or a phone. Why? Because if you copy images from the internet or a phone, the quality of the photo declines. If this happens, the photo will not be approved and your school photo will be used instead. Use the photograph directly from your photographer.
3. Make sure your name (of the picture) is saved in your computer as: Last Name_First Name_2025

Requirements:

- JPEG format, RGB color, Maximum file size 20MB.
- File name: Last Name_First Name_2025 (please name this prior to uploading).
- 300 dpi/ppi Resolution -This is the most important part to get correct. This is a full resolution for print images. Cell phone photos and photos from the web are too small to reproduce in the yearbook.
- EShare will automatically size the photo for you. The photo should be from the chest up, not a full body shot. You may use the cropping tool in the eShare submission link.
- The background should be informal (outdoor or indoor) with no flags, figures, symbols/words/numbers, animals, vehicles, any other people, hats, or tattoos. This is just a picture of your face.
