wishes you a
Happy, Healthy &
Festive Holiday
Season**

Happy December Central families,

WOW, December is here with all the excitement and wonder of the season. We hope that you have "Jammies and Jingle Bells" on your calendar, it is from 5:30-7 p.m. on Monday, December 10. Please join us for this fun night for families to wear their jammies and participate in a variety of games, activities, and join us in a sing-a-long. I also want to take a minute to feature our WATCH D.O.G.S. (Dads of Great Students) program. It began in 1998 by two fathers who wanted to be in the schools to support students and provide positive relationships. Dads, uncles, grandpas and other significant adult males can sign up to spend a day at Central – being in rooms, playing on the playground, listening to students read, providing additional safety in our crosswalks, helping in the library, and walking the halls with our amazing students and staff. If you are interested in participating, please stop by our office for a volunteer background check and take a look at the openings on our calendar. We would love to have you!

Have you seen our Giving Tree inside by the front door? It is a place to donate boxes of cereal which will go directly to the Snohomish Food Bank. We are so happy to give back to our amazing community and invite you and your family to send in cereal to add to our donation.

Just a reminder, in this wet and windy weather please remember to send your children to school with warm clothes and coats. If you need help with a coat, please let me know or check in with our office staff. It is going to be a quick month as we dismiss at 11:30 on December 14 for our Winter Break. My wish for all Central families is a happy, healthy holiday season filled with joy and laughter. Thank you for sharing your amazing children with us, we have the best school in the universe, with the best students in the universe!

The Specialist Corner

Hello families! My name is Connie Hellmund and this is my fourth year working at Central. My job is to provide instruction to our English Language Learners (ELL) and to be a liaison between our Spanish speaking families and the staff. It is a privilege to spend time with your children, thank you for sharing them with us!

November 2018 Safety Corner – School and building visitors

We encourage parents and community members to visit our schools during regular school hours. Many volunteers that spend countless hours helping in classrooms and in other ways throughout our schools and facilities. If you visit a school or building, please be aware of the following:

- All visitors must sign in at the front office and wear a volunteer badge. Please sign out and return the badge when you leave. The purpose of signing in and out of the school is so that we can account for all visitors in the building should an emergency occur.
- Unfamiliar persons and/or persons not wearing a visitor badge will be directed to the main school office. Visitors, volunteers and chaperones may also be asked for identification.
- We want to protect the privacy of our students. Please refrain from taking pictures of students except of your own child. Never post pictures of other students to social media.
- Visitors should not try to open outside doors during school or after hours unless you are authorized to do so. Student and staff safety is a top priority. Staff has been trained to call the front office if inappropriate activity is taking place and 911 may also be notified.

Every month throughout the school year we will share information with you through a brief Safety Corner article about ways we are working to improve safety in our schools and buildings. To learn more about the school district's safety initiatives and programs, visit www.sno.wednet.edu/safety.

Attendance Line: Please call the attendance line at **360-563-4602** to report an absence. This line is available 24 hours a day to leave your message. Students must be **fever free for 24 hours before returning to school**. This helps the spread of communicable disease.

Afternoon transportation changes: If you are making a change to your child's afternoon transportation plan please send a note in the morning or call the office by 1:30. This will enable us time to make sure your child receives a bus pass.

Names on notes please: When sending lunch money or end of day notes to school with your child, please always write your **child's first name, last name and teacher's name** on the envelope or note. All notes and lunch money are sent to the office and it is sometimes difficult to know which "Johnny or Jane" they belong to. We have many students here at Central who share the same first name. If your student is going home with another student on the bus, we need to know the bus route #, the bus stop and the first and last name of the student they are going home with.
Thank you!

Parents have the right to request information on the professional qualifications of their student's classroom teachers. Title 1 Instruction is provided by Highly Qualified Teachers and Para-educators. For additional information regarding the highly qualified criteria please contact the Snohomish School District's Teaching & Learning Services Dept.
