

CENTRAL PRIMARY CENTER

TIGER TALES

May 2019

Heidi Rothgeb, Principal

Don't miss our
Imagine Family Learning Night
Science Sensations
6-7:30 p.m. on May 7.

Dear Central families,

We appreciate our teachers!!! May is the time that is set aside for us to thank our teaching staff for all their hard work. At Central Primary we are celebrating Teacher Appreciation Week May 13 – 17. This is a week later than some schools, due to several Central teachers attending a reading conference the week before. This year, please ask your child to write a note or make a picture sharing, "What's special about my teacher." We have enclosed a paper with this newsletter that you are welcome to use, or feel free to use your own idea. Please send in the papers during the week of May 13 – May 17. Thanks!

One of the things I really appreciate about our PTA is the many ways they enrich our school community. Specifically, we are able to have 3 or 4 assemblies each year we couldn't afford otherwise, field trips are supported for many of our students who cannot afford this expense, Art Day has become a unique way for students to be exposed to many forms of art, the Father-Daughter Dance and Cedar Springs Mother-Son event are incredibly well attended events, and Watch DOGS continues to support Central and Emerson. All of these gifts are dependent upon the membership and ultimately the leadership provided by PTA. We have several positions that must be filled next year if we are to continue the same level of support as in the past. If you have an interest in a board position, or a passion for one of the chair positions such as fundraising, membership, or communications please let us know. We will be happy to connect you with the right people. Thanks so much for supporting this important organization that helps our students, our teachers, and our school.

Sincerely,
Heidi Rothgeb
Principal, Central Primary Center

Science & Arts Academy Summer 2019

Inspire the mind and heart through the school district's Science & Arts Academy! The science of candy, coding, astronomy, renewable energy, block printing, robotics, drama and aeronautical engineering are just some of the many exciting topics students who are currently in grades K-8 may investigate through the district's summer program. This year's Science & Arts Academy will run 3 weeks in July at Snohomish High School (1315 Fifth Street in Snohomish).

More information is available at the district website:

- ◇ www.sno.wednet.edu/summeracademy
- ◇ Deposits can be made now thru the district website.
- ◇ Online class registration will be available beginning Wednesday, May 29.

**Do you have a student who will attend Kindergarten in the fall?
Please register your student now for the 2019-2020 school year.**

- 6/21 Last Day of School/Dismiss @ 1:50
Summer begins!

Community Meeting at Emerson: Superintendent Kultgen will be meeting with the community at Emerson Elementary on Tuesday, June 4 from 6-7 p.m. to discuss the work and recommendation of the Citizens Facility Advisory Committee (CFAC) and to get additional community feedback. CFAC is a community-based work group whose goal is to recommend to the Snohomish School Board a potential capital improvement initiative. That recommendation will be made at the May 8 School Board meeting. The group's recommendation includes the replacement of Cathcart Elementary, Seattle Hill Elementary, Emerson Elementary/Central Primary Center, Dutch Hill Elementary, Cascade View Elementary and Totem Falls Elementary. Additionally, the group prioritized safety and security projects across the district, the repair/replacement of the maintenance and transportation facilities, and smaller projects at our secondary schools and the Snohomish Aquatic Center. The timeline or order of these projects has not been set as such decisions are up to the School Board. The School Board will decide which projects, if any, are included as well as the timeline. The School Board plans to make its decision September 2019.

We hope you are able to make this important meeting with Superintendent Kultgen to learn more about the CFAC group's work. Additional information is also available at www.sno.wednet.edu/cfac if you are interested in reviewing some of the work completed to date.

Volunteer Opportunities at School

We have a lot of grade level field trips coming up in May and June along with Gummy Bear Field Day on June 20. A volunteer clearance is required for all volunteers attending field trips, working in the classroom or helping with field day. The volunteer clearance is now processed online by going to the district website at <https://www.sno.wednet.edu>. The volunteer clearance is good at all Snohomish School District schools and is valid for two years.

Parents have the right to request information on the professional qualifications of their student's classroom teachers. Title I Instruction is provided by Highly Qualified Teachers and Para-educators. For additional information regarding the highly qualified criteria please contact the Snohomish School District's Teaching & Learning Services Dept.

The Snohomish School District does not discriminate in any programs or activities on the basis of sex, race, creed, religion, color, national origin, age, veteran or military status, sexual orientation, gender expression or identity, disability, or the use of a trained guide dog or service animal and provides equal access to the Boy Scouts and other designated youth groups. The following employees have been designated to handle questions and complaints of alleged discrimination: Title IX (program) and 504 – Scott Peacock, 1601 Avenue D, Snohomish, WA 98290, 360-563-7282, scott.peacock@sno.wednet.edu; Title IX (employee) and ADA – Darryl Pernet, 1601 Avenue D, Snohomish, WA 98290, 360-563-7285, darryl.pernat@sno.wednet.edu; Harassment, Intimidation and Bullying – Shawn Stevenson, 1601 Avenue D, Snohomish, WA 98290, 360-563-7314, shawn.stevenson@sno.wednet.edu.
