

Middle School Math Credit Application Snohomish School District

Only the following courses are eligible for high school credit while taken at middle school: Algebra, Geometry, and Algebra II/Trigonometry.

Grades from both semester 1 and 2 will be added to the transcript automatically unless otherwise requested by the student and parent/guardian before the end of the student's junior year per Policy 2410 and 2410P. Adding this course/credit will affect the student's cumulative GPA in high school.

Student Name: _____ Student's Date of Birth: _____

Middle School Attended: CMS VVMS Other _____

<input type="checkbox"/> Algebra	S1 Grade	S2 Grade
<input type="checkbox"/> Geometry	S1 Grade	S2 Grade
<input type="checkbox"/> Algebra II/Trigonometry	S1 Grade	S2 Grade

High School credit will be automatically awarded for completed classes listed above per Policy 2410 unless otherwise requested by student and parent/guardian before the end of the student's junior year.

For similar math courses with different course titles taken outside of the district, please provide the following information.
