Awards of Achievement

A letter or other approved award may be awarded for scholarship and distinguished service in such fields as music, dramatics, stage work, speaker's bureau, and athletics.

All honors shall be awarded upon recommendation of appropriate faculty members with approval of the school principal and superintendent of schools. The acceptance of trophies, prizes, or awards to be conferred upon pupils from persons not connected with the schools is not approved, unless the school staff determines that the origins and purposes of such trophies, prizes or awards are consistent with school goals and unless the school staff maintains the power of selection. This shall not be interpreted as prohibiting the acceptance of gifts or grants for scholarships which are not connected with contests and which are free from motives of personal gain or publicity.
