

THE BOARD OF DIRECTORS

Board-Superintendent Relations (Responsibilities)

The board shall:

- ?? Select the superintendent and delegate to him/her all necessary administrative powers.
- ?? Adopt policies for the operation and direction of the school system and review administrative procedures.
- ?? Provide direction for the educational program, approve courses of study, and adopt textbooks and teaching materials.
- ?? Review state and federal annual report on district programs.
- ?? Approve the annual budget, approve payment of vouchers and payroll, and review monthly fiscal reports.
- ?? Employee staff upon recommendation of the superintendent.
- ?? Approve contracts for construction and approve proposed changes of school plant and facilities.
- ?? Approve collective bargaining agreements.
- ?? Establish bond and levy amounts.
- ?? Approve purchase and disposal of real property.
- ?? May appoint citizens and staff to serve on special committees.
- ?? May serve as final hearing officer for staff, citizens, and students as permitted by statute and collective bargaining agreements.
