

COMMUNITY RELATIONS

School Support Organizations

The following guidelines are provided for use by booster and/or parent groups which are involved in money-raising activities:

- A. Local booster clubs and parent groups are encouraged to incorporate as nonprofit corporations meeting the requirements of chapter 24.03 RCW.
- B. The board of directors of the school district has established a fee schedule that governs the use of facilities by school-support organizations.
- C. Any nonprofit organization that supports district programs and/or activities must do so without cost to the district.
- D. All support organizations must adhere to state laws applicable to their fundraising activities. For example, the Washington State Gambling Commission, the Department of Licensing and the Internal Revenue Service have licensing and other regulations covering fund raising activities by nonprofit corporations, and the district expects that nonprofit corporations that support district programs and/or activities to comply with these and all other applicable legal requirements at no cost to the district.

Adoption Date: January 10, 2018

Classification: Discretionary
