This agreement may be in electronic or paper format.

I agree to the following:

1. To abide by Procedure 2314P, including the Code of Conduct.
2. That network administrators have the right to review my material stored in Snohomish network files and to edit or remove any material which they in their sole discretion believe may be unlawful, obscene, abusive or otherwise objectionable, and I hereby waive any right of privacy which I may otherwise have to such material.
3. Staff must change their network account password on a regular basis.
4. That the Snohomish School District will not be liable for any direct or indirect, incidental, or consequential damages due to information gained and/or obtained via use of the Snohomish network, including, without limitation, access to public networks.
5. That the Snohomish School District does not warrant that the functions of any of the Snohomish network will be error-free or uninterrupted.
6. That the Snohomish School District shall not be liable for any direct or indirect, or consequential damages (including lost data or information) sustained or incurred in connection with the use, operation, or inability to use the Snohomish network.
7. That the Snohomish School District is unable to provide support for personal computing devices.
8. That I will provide password protection for personal devices that use or have used district network resources.
9. Use of the Snohomish network is for achieving district and educational goals. The District recognizes, however, that some personal use is inevitable, and that incidental and occasional personal use that is infrequent or brief in duration is permitted so long as it occurs on personal time, does not interfere with District business, and is not otherwise prohibited by District policy or procedures.
10. That Procedure 2314P and the Code of Conduct apply not only to district-owned or district-provided equipment, but also to personal devices that use district resources.
11. In consideration for the privilege of using the network and in consideration for having access to the public networks, I hereby release Snohomish School District, its operators, and any institutions with which they are affiliated from any and all claims and damages of any nature arising from my use, or inability to use, the network.
