Dear Families;

October has been a great month for us so far here at Riverview and the next weeks are packed with learning and fun as well. In the final two weeks of September we kicked off our Riverview Pillar Run lessons and fundraiser. Our daily teaching lessons focused on our pillars: Welcome, Do No Harm, Choice Words, Never Too Late To Learn, and Best School in the Universe! Our Pillar Run was held on September 26th. As our PTO volunteers track the pledges and count money, it looks like the Pillar Run was a huge success! The money raised is going straight into our classrooms to support learning for your kids. A big thank you to our sponsors who helped fun the costs of putting on the run; t-shirts, prizes, and more. Our awesome PTO really works hard to support our school community!

On October 10th, from 6:00 p.m. to 7:00 p.m., we will host a Coffee Chat for parents. At this first Coffee Chat, our Library-Media Specialist and Technology Lead, Mrs. Bates, and our Dean of Students, Mrs. Hammer, will lead learning and dialogue around keeping our children safe online. This is the most requested and the best attended parent night of the year. You won't want to miss it!

On October 17 (10-17), at 10:17, we will be participating in the 2019 Great Washington Shake Out earthquake drill. Prior to the drill, staff will talk with students about the drill and what to do in an earthquake. As a staff we review our safety procedures and ensure that we are prepared for emergencies. Drills give us feedback on our planning and preparations.

October 21st - 24th, we will hold our Fall conferences. Students will attend full days of classes on Monday, and Tuesday, and half day only on Wednesday. There will be no school on Thursday and Friday. At conferences, your child's progress will be shared with you and you will get to see examples of your child's work. Together with the teacher, you will be able to talk about hopes and directions for your child. All children learn in different ways and have their own individual personalities, skill levels and work habits. Conferences are an excellent opportunity for communication and sharing between the teacher and parent! Parent involvement is the most important factor in student success in school. Communication at conferences is one key to this success. Together, you and your child's teacher can develop goals and action plans for a successful year. Conferences set the stage for open communication with your child's teacher for the entire school year!

Enjoy the newsletter and join us for our activities.

Sincerely,
Tammy Jones, Principal
