

Career and Technical Education (CTE)

AIM - 2024/2025 and Beyond

Recent changes in state graduation requirements allow students in the class of 2020 and beyond the option to meet state math and English/language arts testing requirements by completing two (2) credits in an approved OSPI program area that provide opportunities to earn college credit and/or an industry recognized certification. Each CTE program box shows course options that can meet the requirements for the CTE graduation pathway. **Coursework must equal two credits within the CTE program box and one of the courses must have the dual credit or approved industry certification designation (☆) to be a Snohomish School District State approved pathway option. The CTE pathway must be reflected in the student's High School Beyond Plan.**

BUSINESS AND MARKETING

0.5/1.0 Business Marketing Worksite Learning

Business & Administration

☆ 0.5 Career Choices

☆ 0.5 Senior Career Choices

☆ 1.0 Business Math

0.5/1.0 Business and Marketing Worksite Learning

Information Technology

0.5 Technology Exploration
