Dear Prospective Cheerleaders and Parents,

Thank you for your interest in becoming a member of the Glacier Peak High School Varsity Cheer Squad for the 2021-2022 school year. Please read over this packet carefully, as it contains important information regarding tryouts as well as information if you make the team.

As Glacier Peak's Cheer Advisor, I intend to teach teamwork, dedication, discipline, and compassion. The opportunities and memories that this program will provide your child, will stay with them forever.

It is an honor and a privilege to be a Glacier Peak Cheerleader. Good leadership, sportsmanship, academics, and cheer skills all go hand-in-hand. Please read all Tryout forms carefully with your daughter/son before signing the Cheerleading Contract Agreement.

In addition to the Cheerleading Contract, completed Tryout Application, and Cheer Essay, you must have a current physical on file with the district (less than 24 months old) in order to participate in the cheer tryout clinics and tryout. Health history forms, and athletic clearance paperwork (Rank One) must also be filled out prior to participating in the tryout process. You can find these forms online at the Snohomish School District website under commonly requested forms.

Glacier Peak High School has already established a tradition of excellence and the Cheerleading Squad is a significant part of that. I look forward to continuing this journey with the 2021-2022 GPHS Cheerleaders.

Good luck to all candidates during tryouts!

Glacier Peak High School
Cheerleading Program Contract
2021-2022

Glacier Peak Cheer is a demanding program with high expectations, which provides unique and positive opportunities for its members. The program is committed to excellence in the pursuit of school spirit and pride. Glacier Peak High School Cheerleaders are role models, and are expected to set high standards for their school and to set a good example for other students.

MISSION:

- Promote and uphold school spirit, unity and pride
- Be a model student-athlete for our campus
- Set an example of good behavior and sportsmanship at all times
- Promote friendship with each other, students on campus, and students from other schools
- Promote the development of lifelong values and leadership skills
- Represent the school to the highest degree
- Maintain a physically and emotionally safe practice and performance environment
- Encourage teamwork

ACADEMIC REQUIREMENTS:

Each cheerleader MUST maintain a minimum of a 2.5 GPA

- Grade checks occur at the end of each quarter to determine eligibility.
- Failure to maintain eligibility will result in Academic Probation. Under Academic Probation the team member is required to attend all practices, games, and engagements, in required attire but will not be allowed to perform. A team member on Academic Probation has one grading quarter to regain eligibility.
- A team member on Academic Probation who is unable to regain eligibility by the following grading quarter will result in Academic Suspension. Under Academic Suspension members will not attend practices, games, or engagements. A team member on Academic Suspension has one grading quarter to regain eligibility. Failure to regain eligibility at quarter grading will result in removal from the program.

APPEARANCE:

During a game, hair is to be pulled back away from the face at all times. There is to be absolutely NO jewelry worn during practice and/or games/competition. This includes any body piercing, earrings, necklaces, etc. that could cause injury to you or other members of the team. Your uniform must be clean and pressed.

ATTENDANCE:

- Tardiness holds the entire team up! Each cheerleader is responsible for being on time to practice. Roll will be taken at the start time of practice. This means you must be ready to begin practice promptly. If you have an excused tardy (doctor, family, emergency, school - TBD by coach), the cheerleader must communicate to the Coach and Captains BEFORE practice.
- Absences: If a cheerleader misses a practice during game week, and the absence does not qualify as an “Excused Absence” under the guidelines below, the Cheerleader will sit out for 1 quarter of the game and support her Squad from the sidelines.
- Excused Absences: There will be no consequences for excused absences – these consist of:
 - Doctor’s appointments (followed by a doctor’s note)
 - Emergencies (family, personal, etc.)
 - Illness

CODE OF CONDUCT:

Every Glacier Peak Cheerleader must emphasize the ideals of sportsmanship, ethical conduct, integrity, accountability and fair play. As a representative of Glacier Peak High School, the cheerleaders are expected to abide by all school, district, and league rules, as well as local, state and federal laws. Cheerleaders must also show courtesy to all visiting teams, competitors, hosts and officials. They must also respect the integrity and judgment of all sports and competition officials.

Use of alcohol or drugs will not be tolerated and will mirror the GPHS Athletic/Activities Code of Conduct Procedures.

TIME COMMITMENT AND PRACTICES:

Being a Glacier Peak cheerleader is a huge commitment. All cheerleaders must learn to manage their time well. Please take into consideration cheerleading practices and games when scheduling new classes and work. Practice will consist of 2 days a week depending on upcoming games and material being learned. All practices will be scheduled for 1.5-2 hours for all cheerleaders. Although the times that practices are held may not be convenient for each cheerleader, everyone is required to accept the schedule, and attend all practices. Additional practices will be scheduled as deemed necessary throughout the year. We will also have occasional team meetings, called by the coach, which will be mandatory.

- Other commitments include: Rallies, Spirit Weeks, Fundraising and Booster Club related events etc.

COMMUNICATION:

Cheerleaders and Parents/Guardians are expected to stay up to date with all program and Booster Club matters, which will be communicated mainly through email. It is the cheerleader's and parents/guardians responsibility to ensure they are receiving the information, not the Advisor/Coach or Booster Club board members. Be sure to maintain a functional email address and to alert the Coach and Booster Club board of any changes to your contact information.

UNIFORMS DURING GAMES:

All cheerleaders will be in the same uniform. This means with matching poms, same bow/hair, and clean/pressed uniforms etc. If a cheerleader is missing any of these items or has a dirty uniform then they will not be allowed to cheer.

INJURY:

If a cheerleader gets injured while at practice and the coaches feel they are in need of medical attention when it's not an emergency, we will call the parents/guardians of the cheerleader and ask if they would like us to call the ambulance or if they would like to come pick up the injured cheerleader at the school to take her to the Doctor themselves. If it was an emergency we would call the ambulance then call to inform the parents/guardians of the situation. After an injury the coaches will call and check up on the injured cheerleader and see if there is any additional help we may provide.

- Before the injured cheerleader can return to practice, or cheer at a game (after having seen a doctor) they are responsible for giving the Athletic Trainer at the school, a doctor's note releasing the injured cheerleader to participate.

RESPONSIBILITIES:

All cheerleaders are responsible for keeping up to date with the latest game and practice information and schedules. They should be monitoring the Cheer App, BAND. This App is the Cheer Squad's primary form of communication used by Coach and Captains to get information out to the Squad quickly. Cheerleaders should also be checking their school email frequently for updates and important information from Coach Jenny.

UNIFORMS/EQUIPMENT/CAMP:

Glacier Peak cheerleaders will have an in-person uniform fitting with Varsity on Thursday, June 17th at 6:30pm at Glacier Peak High School. Each cheerleader will be responsible for purchasing his or her uniforms, poms, athletic shoes, backpack, and Cheer Camp fees. The Squad will coordinate with the Cheer Booster Club to fundraise for some of these expenses.

Please be advised that a year of Cheerleading costs approximately \$1,000 or more. This is dependent on the uniforms and equipment ordered, and the cost of either an overnight camp, or camp at home. In the end, we have had some girls owe nothing, because they raised enough money by participating in the Booster Club Fundraisers.

2. A phone conference or meeting can be arranged
3. Once the Advisor/Coach has been contacted, we will do our best to facilitate a prompt, effective resolution. The coaching staff should be the first contact to make when a concern arises.

If the meeting with the GPHS Cheer Advisor/Coach did not provide satisfactory resolution, please contact the Assistant Principal's office to set up a meeting. This meeting will include cheerleading staff, the GPHS Assistant Principal and your family.

Parent/Guardian Representation of Glacier Peak High School

Parents are expected to maintain proper behavior during all games, performances and cheerleading events. Parents are representatives of our teams as much as the student athletes themselves. Parents will not be invited to accompany GPHS cheer teams to games or events if they display negative attitudes towards opposing players, opposing parents, referees, opposing coaches or GPHS students or coaches.
