

Did you Know?

- Parents, students, teachers and faculty members work together to develop our school-parent compact. Each school year, two meetings are held for parents, teachers, and students to compare the compact with school data to review our progress and assess our goals.
- This compact is uniquely developed to meet the needs and goals of our school students

Parent Outreach Opportunities

There are many opportunities for parents to be involved and learn about Snohomish High School whether through our volunteer program, frequent visitor initiative, or open door classroom policy. Please contact our school to learn about these great opportunities and more.

- Sno-homework Club
- Parent Volunteer Program after-school
- Open House
- Parent Teacher Conferences

Please call (360) 563-4001 to schedule an appointment with your student's teachers or visit our Web site, www.sno.wednet.edu and click on the Parent Information link to learn more information.

School and Home Communication

Snohomish High School is committed to providing regular two-way communication with families about student learning through the following methods:

- Parent Portal
- School website
- Six week progress reports
- School Messenger email
- Parent-teacher conferences

Snohomish School

District Goal-

- School District Goal: Snohomish School District will increase the number of students meeting standard in reading and math, as reflected in School Improvement plans, such as measured by state- assessment and classroom-based assessments by change of score by engaging in the following strategies:
- o Establishing a culture of achievement
 - o Clarifying and articulating the purpose for learning
 - o Using the gradual release of responsibility model to help students assume ownership of their learning and guide students towards independent learning
 - o Providing feedback that moves learning forward
 - o Identifying essential academic standards in order to provide coherent, quality core instruction across the district
 - o Fostering collaboration and empowerment in all of our school communities
 - o Using instructional and technology resources purposefully to support all of the above conditions

SHS Mission Vision and Beliefs:

Vision Statement: A community that inspires

Mission Statement: SHS inspires our community to be equipped for a changing world by providing creative and challenging learning opportunities

We believe...

- everyone can learn.
- in creating a welcoming place for students, staff, families, and community.
- students have a responsibility to be actively involved in their learning.
- families, staff, and the community also play an important role in a student's education.
- in learning from successes and failures.
- in maintaining a mutually respectful, supportive, and safe environment.

Timeline of Progress

1. Identify the current state of the course for students, families, and community.

2. Establish a shared vision of the course for students, families, and community.

3. Identify the current state of the course for students, families, and community.

4. Establish a shared vision of the course for students, families, and community.

5. Identify the current state of the course for students, families, and community.

6. Establish a shared vision of the course for students, families, and community.

7. Identify the current state of the course for students, families, and community.

8. Establish a shared vision of the course for students, families, and community.

9. Identify the current state of the course for students, families, and community.

10. Establish a shared vision of the course for students, families, and community.

11. Identify the current state of the course for students, families, and community.

12. Establish a shared vision of the course for students, families, and community.

13. Identify the current state of the course for students, families, and community.

14. Establish a shared vision of the course for students, families, and community.

15. Identify the current state of the course for students, families, and community.

16. Establish a shared vision of the course for students, families, and community.

17. Identify the current state of the course for students, families, and community.

18. Establish a shared vision of the course for students, families, and community.

19. Identify the current state of the course for students, families, and community.

20. Establish a shared vision of the course for students, families, and community.

21. Identify the current state of the course for students, families, and community.

22. Establish a shared vision of the course for students, families, and community.

23. Identify the current state of the course for students, families, and community.

24. Establish a shared vision of the course for students, families, and community.

25. Identify the current state of the course for students, families, and community.

26. Establish a shared vision of the course for students, families, and community.

27. Identify the current state of the course for students, families, and community.

28. Establish a shared vision of the course for students, families, and community.

29. Identify the current state of the course for students, families, and community.

30. Establish a shared vision of the course for students, families, and community.
