

Snohomish School District Technology Protection Plan – 2021-2022

Just like textbooks, team uniforms and other school property issued to your child for school purposes, there is a responsibility to take care of school property. We know accidents and/or loss may happen, even when students intend to take good care of the device. In these instances, district policies and state regulations require a fine be levied to cover the repair or replacement cost of district property. Due to the high replacement cost of a laptop, the Snohomish School District is offering a Technology Protection Plan for the 2021-2022 school year.

This is an **opt-in plan**, with payment due at time of opting in. Plan enrollment fees must be paid at the time of opting in to activate the protection plan. Payment instructions are on the back.

COST: The standard enrollment fee for the Technology Protection Plan is \$30. Students eligible for the free/reduced lunch program will be automatically enrolled.

COVERAGE AND BENEFIT: This protection plan covers the laptop loaned to the student against ONE incident of accidental damage, theft, or loss during the current school year. This plan does **NOT** cover loss of the power cord, intentional misuse, abuse, or neglect by any household members. Physical screen damage, caused by abuse, is not covered by the plan. All damage assessments will be at the sole discretion of the Snohomish School District Technology Department.

PROTECTION PLAN REPAIR/REPLACEMENT FEES:

Repair/Replacement Fees	First Claim Deductible (w/in School Year)	Subsequent Claim Fee
REPAIRABLE DAMAGE (excludes screens) (accidental damage)	none	Cost of Repair (Parts Cost)
SHATTERED, BROKEN OR CRACKED SCREEN	\$25	\$80 - \$160
THEFT (with Police Report)	\$25	Cost of Replacement
LOST or THEFT (w/out Police Report)	\$150	Cost of Replacement
Failure to Return Laptop and/or Power Cord*	Cost of Replacement	Cost of Replacement

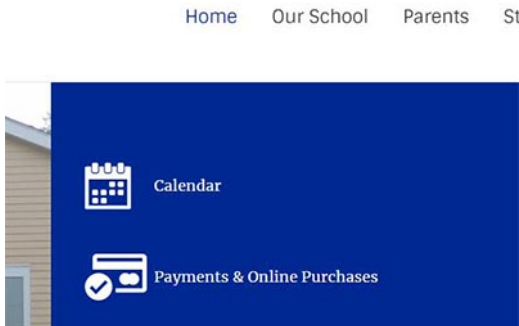

The full cost of a laptop replacement \$515. Replacement costs for a missing power cord is \$35.

THEFT: If a laptop is reported stolen, the Snohomish School District requires a copy of a filed police report be submitted to the school. Fraudulent reporting of theft will be turned over to the police for investigation. A student making a false report will also be subject to school disciplinary action.

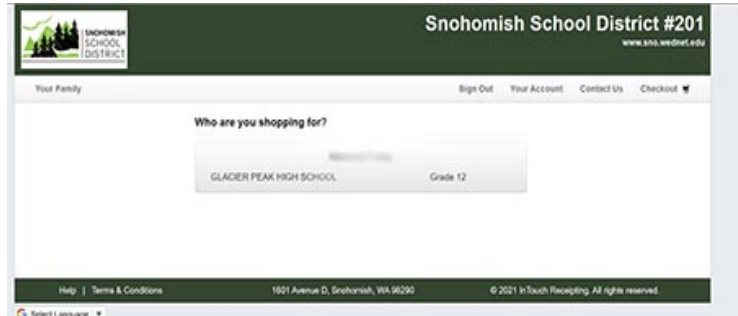

LOSS or THEFT (without a police report), or Failure to Return the laptop to the SSD: Students who withdraw or leave the Snohomish School District, or those that do not return the issued devices at the end of the school year, will be responsible for the replacement costs of \$515 for the laptop and \$35 for missing power cord. Unreturned laptops may be treated as lost or stolen, and the Snohomish School District reserves the right to report the unreturned devices to police, as such.

How to pay for the protection plan online

1. Access the On-line payment system via the district web site

2. Choose your student

3. Choose Item at

Student's School

Info: Maxwell has a food service balance of 41.95.
Balance is current as of 8 AM each day.
If you need to deposit money, please "shop" for the food service item at your student's school.
