

Publications- The Yearbook and Newspaper Class of GPHS

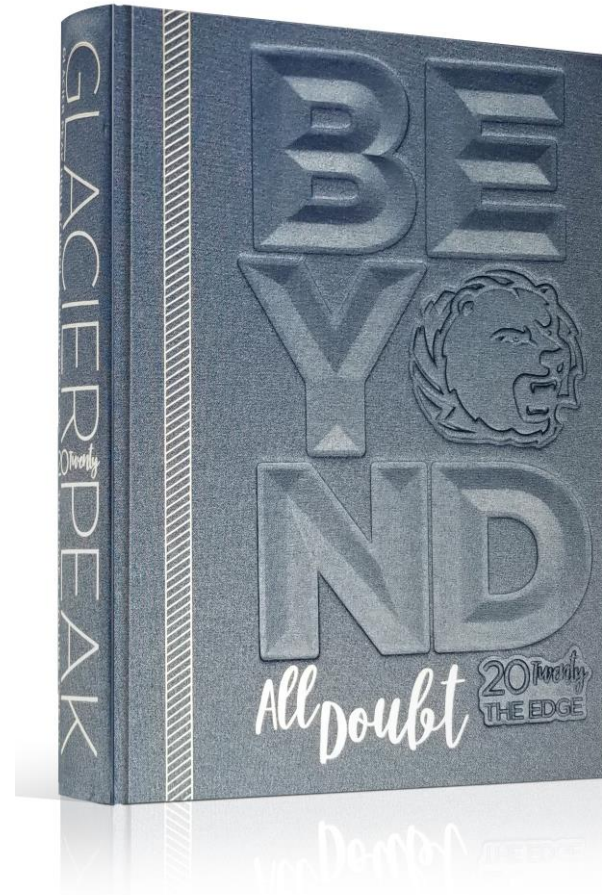

Come and be apart of the yearbook staff. We have a strong group of photographers and graphic designers that put together The Edge yearbook.

We write articles and shoot video for the online news website: www.alltheedge.com

We have the opportunity to travel and compete in journalism competitions and workshops both in and out of state.

We take photos all the time and nerd out over fonts and colors.

Join the Yerd Herd (Yearbook Nerd) and come join a family that loves to eat and and design together.

Learn great photography skills

Teen Volunteer Opportunities

JANUARY 29, 2021

Kensington Munoz, Staff Writer

Volunteer opportunities are great for community service credits, job applications, resumes, and to overall just feel like a better person. There are so many options for volunteering all around Washington...
