ROW!

At Everett Rowing, our youth learn that hard work pays off both at the finish line and in life! With every practice, these future leaders will develop commitment, confidence, and strength of character.

Unlike other competitive team sports, everyone participates, everyone rows, and everyone races. We create a culture of lifting each other up by working hard and having fun!

Need based financial aid available to qualified applicants.

The Snohomish School District has approved this information for distribution through its schools. The district does not, however, assume sponsorship of/or responsibility for the actual content of any of the activities offered.
