

2022 SNOHOMISH MOUNTAIN BIKING TEAM

Open to grades 6 through 12 in Snohomish, Lake Stevens, Everett and Mukilteo School Districts

This will be Snohomish Student Mountain Bike Team's seventh season. If you cycle or are interested in cycling come join us at the Meet the League ride or contact us for more information. Registration opens January 14th, 2022.

The mission of the league is to promote youth development, confidence, leadership, health and public stewardship through mountain biking and create a foundation for lifelong cycling enjoyment. But most importantly, to have fun!

The team has 2 to 3 practices a week from February through May and competes in 4 cross-country league races in late spring.

ALL RIDERS ARE WELCOME TO JOIN THE TEAM REGARDLESS OF SKILL OR FITNESS LEVEL.

The team is part of the Washington Student Cycling League, a non-profit organization comprised of many middle and high school teams. There will be opportunity to race in a fun and supportive environment along with other students in your grade and level. There are multiple categories to fit your fitness and skill level. More information about the League can be found at www.washingtonleague.org.
