

FUN COMMUNITY SERVICE OPPORTUNITY

TOPSoccer is a program that teaches children/adults, from age 4 to young adulthood, with physical, mental, or emotional disabilities, how to play the team sport of soccer. Our program helps teach the basics of the game itself and gives the players a chance to develop skills, all while offering them the chance to be a part of a team. You do NOT need to have soccer skills to coach or be a volunteer - excitement about being a part of this team is the most important characteristic of our volunteers. It is an opportunity to enjoy hanging out with kids, while creating relationships and memories with them. Come have fun playing outside and getting exercise-all while making a child's day!
