

CAMP MARIPOSA

WHERE KIDS TRANSFORM

Camp Mariposa Everett/Seattle is a free, weekend day camp, run by Compass Health, for children ages 9-12 who are affected by the substance use disorder of a loved one. Youth attend camp six times a year and participate in fun, traditional camp activities along with education and support exercises to learn critical life skills and self-care.

Camp Mariposa helps youth:

- ▽ Reduce feelings of isolation and guilt
- ▽ Connect with friends facing similar circumstances
- ▽ Learn that addiction is a disease and not their fault
- ▽ Build confidence
- ▽ Learn critical life skills
- ▽ Have FUN!

The Snohomish School District has approved this information for distribution through its schools. The district does not, however, assume sponsorship of or responsibility for the actual content of any of the activities offered.
