[Girls Who Code]

at Fred Hutch

The Snohomish School District has approved this information for distribution through its schools. The district does not, however, assume sponsorship of/or responsibility for the actual content of any of the activities offered.

We are a club for girls, women, and nonbinary high school students interested in exploring coding topics in a creative and fun environment

> Hands-on computational projects (This year we will learn about the genome and bioinformatics in Python!)

> Led by women and nonbinary scientists from University of Washington and Fred Hutch

> Meet in-person at Fred Hutch Tuesdays 4:30-5:30pm (PST) from October 10 - December 5, 2023

> Bus passes and food provided
