**Message from the Superintendent**

Dear families and friends -

It’s hard to believe we are already more than half way through the school year. The days are getting longer, and the grass is getting greener. Spring is just around the corner!

Through that plan on the district website. In it, I identified five key goals:

1. **Student academics** – Create a culture where all students engage in the direction of our students’ education.
2. **System analysis** – Build a fundamental knowledge of the infrastructure, practices and procedures of the district.
3. **Staff relationships** – Through building relationships, the Superintendent will drive the community ownership and support of our schools.
4. **Community engagement** – Work to maintain and build the community as a whole share a wide variety of perspectives and more fully engage with each other through a unique online forum.
5. **Governance** – Create a cohesive Superintendent/Board governance team with the focus on student learning.

These goals are mile markers in a journey if ensuring strong leadership and active conversations and decisions are focused on increasing student achievement.

Dr. Kent Kultgen
Superintendent

Spring Into Kindergarten
Mark your calendars for our district’s Spring Into Kindergarten event. All 2017–2018 kindergarten families and students are highly encouraged to attend. Spring Into Kindergarten will be held on Monday, March 20, from 1–7 p.m. at district elementary schools. Families should complete and return their kindergarten registration packet by this day. Each school will also be conducting school tours and having important information available for families (WaDiKS, PTA/PTO, parent organizations, bus transportation, special services and more). For more information, please contact the elementary school your child will attend.

Kindergarten in the Snohomish School District is a full-day program and includes a strong emphasis on the development of academic and social skills. In addition, we will provide your child with the opportunity to explore, discover and experience the joy of learning. We are excited to share this journey with you and your child!

Age of admission
To enter Kindergarten a child must be five years old on or before August 31. (Note: Please call your school if information is needed regarding early entrance requirements. Depending on availability, early entrance may be considered only if your child’s birthday falls between August 31 and October 31.)

Where to enroll
Your child should be registered before the first day of school at the school nearest your home. Each school has prepared a registration packet to work with you in order to complete the registration packet that includes:

- Child’s birth certificate
- Immunization record
- Emergency contact information and phone numbers

There are three steps you are invited to participate in (see participation dates below).

The Snohomish School District is launching a new three-step online tool this spring. The Snohomish School District wants to hear from you! Share your perspectives with us through a unique online forum.

1. Did you know the majority of people who live in the Snohomish District do not have school-aged children? The purpose of School Views is to let our community know about the programs, events and activities happening in their Snohomish School District. Do you feel that we neglect the perspective of the non-school-aged population? If you don’t receive this email, you can still participate by visiting our district website at www.snohomishsignup.com.

2. Star – Consider idea star from others and star the ideas you like best (April 12–23)

3. Engage members in the vision and daily operation of the community as a whole (April 12–23)

We want to hear from you! Share your questions about our schools (March 15–28)

Thoughtexchange online engagement tool. Thoughtexchange enables us to hear and learn what is important to our students, staff, families and community members (see involvement and new student registration information).

Summer engagement at the Science and Arts Academy
Inspire the mind and heart through the school district’s Science and Arts Academy! Ceramics, renewable energy, block printing, master chef, robotics, drama and aeronautical engineering are just some of the many exciting topics for students who will enter grades 1 through 8 may investigate through the district’s summer program. This year’s Science and Arts Academy will run July 5 through July 28 at Snohomish High School (1315 Fifth Street in Snohomish).

Please watch our district website at www.snohomishschoolviews.com for more details as well as registration information. Information available in late March/early April.

Dear families and friends,

At half-way through the school year, The Days are getting longer, and the grass is getting greener. Spring is just around the corner! When I started in Snohomish last summer, I laid out my entry/action plan. You can read the article on the back of this issue of School Views to learn more about our Superintendent’s first 100 days.

There are three steps you are invited to participate in:

1. Share a wide variety of perspectives while more fully engaging with each other through a unique online forum. Thoughtexchange enables us to hear and learn from each of you about what student success in Snohomish schools looks like. Please visit the online tool http://bit.ly/snohomishsignup.

2. Consider ideas from others and star the ideas you like best (April 12–23).

3. Learn what is important to our students, partners with all stakeholders. Our next steps involve hearing in greater detail and more personalized email invitation to participate.

I also wanted to share with how exciting it has been for me to meet and visit with many of you these past months. In my visits, I've witnessed many engaging and purposeful activities and discussions. All around us terrific things are happening – in our classrooms, schools and community. Our students are in good hands.

Dear families and friends –

It’s hard to believe we are already more than half way through the school year. The days are getting longer, and the grass is getting greener. Spring is just around the corner!
