Every day, there are moments that present themselves that make us so very proud of our students. Typically, these are the "sparks of learning" that show up in the faces of our students when they "finally get" a very difficult learning target. Additionally, our pride can come about because of the daily kindnesses and manners they show to each other without our having to prompt them. Whenever we see our students responding to our teaching and expectations, we should feel very proud knowing that we were an important part in making that a reality for our kids.
But then there are the rarer moments when students do something that is so much more profound and meaningful. Such a thing happened this past week when, on March 14th, a large group of our sixth graders, including additional students from Ms. Martin’s class, took part in observing the national demonstration of support for the school community in Florida who recently experienced a severe and tragic event. Knowing some of our sixth graders were talking about finding a way to show their own support, we allowed our students, with guidance and parent approval, to participate in a manner that was appropriate to our expectations (especially 'caring for each other'), and that was also safe, non-disruptive of the rest of the school, and 100% honorable in showing the support that was called for in memory of the lives impacted.

I don’t think I’ve had a more proud moment as a principal! Our sixth graders were simply exemplary and stood as true role models for how a community of kids can come together for a common cause and engaged a truly profound and memorable event. Every single student who participated in the show of support did so in a manner that we can and should be very proud of. These are also moments that are unforgettable. I am thankful to now have this powerful and positive memory of our Thunderbird students engaged with world events and responding so admirably with compassion, kindness, and honor.

Mr. L
Proud Principal

Calling All Cascade View Visitor Badges!! Please come home!

Hello, you wonderful parents and volunteers! We are cheerfully requesting that if you happen to have one of our CV visitor badges hanging out in your house, car, purse, kitchen counter or pockets - that you please return them as soon as possible. Our supply has greatly diminished since the beginning of the year and we’re doing a “shout out” before ordering more. 😊 Thank you for your help!

The Office Ladies!
Important Information About Busses!!

As many of you are already aware, our buses are FULL to capacity. At this time, the transportation department has CLOSED ALL BUS PASSES. This means that the school will no longer have the authority to issue temporary bus passes when parents call-in or send notes.

Changes in Sign-up for Newsletter and Weekly Updates!

Our district uses a listserv to send newsletters and other regular electronic communications from our schools and district. This week, our district switched its host for this service as our current host, the State of Washington, will no longer be providing this service as of early December.

We were able to successfully transfer all of our subscribers and their topic preferences (AIM, Cascade-View, Cathcart, Centennial, Central, District-Communications, Dutch-Hill, ECEAP, Emerson, Glacier-Peak, Little-Cedars, Machias, Parent-Partnership, Riverview, Seattle-Hill, Snohomish-High, Totem-Falls and Valley-View) to the new host. The one thing that did not transfer as part of the switch was account passwords.

Current subscribers are asked set passwords. To set a password, go to:

School Hours

Classroom Hours
Monday - Thursday - 8:35 a.m.- 3:15 p.m.
Friday - 8:35 a.m.- 1:15 p.m.

Office Hours
Monday - Thursday – 8:00 a.m. – 4:00 p.m.
Friday – 8:00 a.m. – 2:00 p.m.

Important Arrival and Dismissal Information

The front doors are unlocked at 8:25 a.m. and students are welcome to enter the building at that time. **Adult supervision begins at 8:20 a.m.** Students that are walking to school or being dropped off by parents should arrive after 8:20 a.m. Exception: Children getting breakfast before school are welcome to enter the gym at 8:10 a.m.

When dropping your children off in the mornings- Please enter our visitor lot and drop your student(s) off along the load/unloading curb in the front of the school. **Please do not use the bus lane in the staff lot or special transportation lanes along the front side of the school.** Thank you for helping us keep the lines moving quickly and safely by pulling all the way up to the front of the drop off area, remaining in your car and having your child(ren) ready to unload from the passenger side of your vehicle. There is absolutely no parking along the curb. Likewise, in the afternoons, please pull forward and wait in your car. Once you have safely dropped off your student, please use the left lane to pass other cars and exit the lot. You are also welcome to park in our visitor lot and walk out front to greet your child(ren).

As always, thank you for your diligence in helping keep our kids safe by honoring the Washington State laws regarding **no cell phone use while operating a vehicle** – especially while on the school campus.

Bus Riders:

**Due to the number of students assigned to each bus and the limited amount of seating, we cannot not issue bus passes for children to ride a bus other than the one they are assigned to.**

**If you need to request a permanent bus pass/change – the transportation request forms can be found on the Snohomish School District website or you can pick one up in our main school office.**
**Attendance:**

If your child will not be at school, please call our Attendance line at 360-563-7070 as soon as possible to excuse your child's absence.

*Please note that you may still receive an automatic attendance call or email if you notify the office after 9 a.m.*

**Tardy Arrivals:**

Attendance is taken at 8:35 a.m. when the bell rings. Students arriving after that will need to come through the office, be signed in by a parent and take a yellow admit slip to their teacher. The purpose of the admit slip is for the office to communicate to the teacher that the student has been signed in and the student's "absence" will be changed to a “tardy.”

Thank you in advance for making every effort to get your children to school on time. In addition to modeling a life-long good habit of punctuality, arriving on time means that your student will not miss out on beginning of the day instructions or distract others' learning by entering late.

*Disconcerting fact: Students that regularly arrive 10 minutes late (or leave 10 minutes early) miss out on 30 hours of learning a year.*

**Early Dismissals:**

Consistent attendance is so important to your child’s education, however, we understand that families have appointments and occasional events that sometimes conflict with the school schedule. If you need to pick your student up before school lets out, please come into the office to sign your student out before 3:00pm Monday-Thursday or before 12:45 p.m. on Fridays. We will not be calling students down during the last 15 minutes of school (the last 30 minutes on Fridays).

*Thank you for doing what you can to schedule appointments and extra-curricular activities around the school schedule! By prioritizing school, it emphasizes to kids how valuable education is!* 😊

**Please note that a "tardy" exceeding 30 minutes or an early release more than 30 minutes before dismissal counts as a half day absence in Skyward. Two half-day absences count as 1 full absence in your student's record.*
Parent Notes Information

Note Writing:

Written notes to excuse your child's absence, request a parent pick-up pass, or inform the school of any other situations regarding your children's needs (including a change to your child’s end-of-the-day transportation home routine) are seen by the teacher then turned in to the office for appropriate follow up actions.

In order to accurately and quickly assimilate parent communications, Mrs. Byers would so appreciate notes of any kind to include the following information.😊

All Notes Need to Include:

Your child's first and last name
Teacher's name
The date the note is regarding
The action needed (excuse an absence; parent pick- up today, going home with a friend)
*If a Pick-up pass is needed, please also include:
-First and last name of adult picking your child up (if other than parent)

Thank you so much! We are excited to share a fabulous year with you!

Parking Lot and Campus Safety

We live in a world of technology - no doubt! But, when you are operating a vehicle on school grounds we ask that your full attention be on driving - not on your smart phone.

When you pick up your student(s) from school, put down your smart phone and take that time to check in with them! Ask them how their day went. Remember, these moments with your kids are precious and before you know it, they'll be grown up. And, they are watching and learning from you, mom and dad! We continue to have incidents of unawareness while driving that have caused some near-misses, rolling into crosswalks while children are crossing and caused delays in the parent pick-up lines while folks are on their phones. Thank you for being diligent in prioritizing and modeling safety to and for our students!
**Special Transportation Bus Lane**

Please be aware that the car lane that runs in front of the school (parallel with Park Avenue) is for our Special Transportation busses. Many of the students riding these busses require assistance to load on and off the bus. Please do not park, drop off or pick up your students in that bus lane. Please use the parent pick-up and drop-off lane in front of the school. Thank you so much for your understanding and cooperation!

**A Friendly Reminder from the Main Office~**

When making appointments for your children, it would be ideal if you would schedule them with the intent that they miss as little school as possible. If you still need to pick them up during the school day, please send a note with your student letting us know what time you will arrive. This minimizes searching for them during recesses or lunchtime.

**Please note that the last 15 minutes of each day** is a time dedicated to the dismissal process. We ask that you do not come in to excuse your student for an early release during this time (Emergencies being an exception, of course).

Any calls made to the office to alter your child’s transportation home must be made before this time in order to ensure the pass can be made and delivered to your student.

**Dogs on Campus**

Please read the attached district policy regarding animals in schools and buildings. Cascade View does not allow dogs on campus. Animals are only allowed inside District schools and buildings or on District property as defined below:

- Service and/or therapy dogs. Service and/or therapy dogs must have current vaccinations, be trained and registered, and kept on leashes or
- Any animals used as part of an instructional program.
Purchasing Meals

You can also load money to the lunch card online through Family Access.

Parents are encouraged to purchase multiple days and to keep a positive balance. Any money sent to the school should be sent in an envelope clearly marked with the child’s name, teacher’s name, and purpose of money.

From the Health Room

Cascade View Health Room is in need of Sweat Pants. If you have any clean sweat pants, in good condition, that your child no longer wears, we would love to put them to good use for our students who may need a change of clothes at school. Thank you so much for your generosity!!!

IS YOUR STUDENT TOO SICK FOR SCHOOL?

As a parent, you can help prevent the spread of illness by not sending a sick student to school. In determining whether to keep your student home, we encourage you to consider: 1) is your student rested and alert enough to learn, pay attention in class, and able to participate in all school activities, including physical education; 2) is your student’s illness contagious to others? Please use the following guidelines.

- **APPEARANCE, BEHAVIOR** – A student that is difficult to wake, unusually tired, pale, irritable and/or lacking in normal appetite should remain at home. These symptoms could indicate the onset of illness.

- **FEVER** – A temperature of 100.4°F (38°C) or higher suggests infectious illness. Your student should be fever free for 24 hours (without medicine) before returning to school.

- **COLD SYMPTOMS** – A student with a “mild” cold but otherwise feeling well may go to school. A student with a “heavy” cold or deep hacking cough belongs at home in bed. Greenish nasal discharge and/or a chronic cough should be medically evaluated with provider clearance for school return. A mild sore throat is usually not a problem but a severe sore throat could be strep throat even if there is no fever. Other symptoms of strep throat in students are headache and stomach upset. Keep your student home from school and have your student medically evaluated. If strep has been diagnosed, (s)he may return to school as early as 24 hours after antibiotic treatment begins.

- **EYES** – White or yellow drainage from the eye, altered vision, and/or redness of the eye lid or skin surrounding the eye requires medical evaluation and provider clearance for school return. Pink eye is highly contagious.

- **DIARRHEA AND/OR VOMITING** – 3 or more watery stools in a 24 hour period and 2 or more episodes of vomiting in the past 24 hours is reason to keep your student at home. Please keep your student home for 24 hours after the last episode (without medicine). A single episode of diarrhea or even vomiting, unaccompanied by any other symptoms, may not be reason enough for the student to miss school – it is best to look at your student’s overall condition in determining if (s)he is well enough to attend school. If you do decide to send your student, please be sure that you are available to pick your student up if his or her condition worsens.

- **RASH WITH FEVER OR BEHAVIOR CHANGE** – This may indicate an infectious illness. Please have your student medically evaluated and keep your student at home until (s)he has received provider clearance for school return.
How to Become a Volunteer

Snohomish is known for coming together to support education and our students, and our strength comes from the people who work and volunteer in our schools and across our district. Volunteers have many opportunities to work with children and schools by assisting on the playground, in the classroom or library, as well as tutoring, chaperoning field trips, serving on committees or assisting with school projects and newsletters. An hour of time can make a valuable difference.

This summer, our district streamlined its volunteer process. All volunteer applications and records are now maintained at the district office. As before, approved volunteer applications are valid for two calendar years from date of approval. The district office is maintaining a single database of applications on file (included is date of application and expiration date). Currently, more than 4,000 people are registered as active volunteers in our district. If you are a new volunteer to your child’s school or the district, more information and applications are located at www.sno.wednet.edu/volunteers. Information is also located on every school website under the Community tab of the sites.
