CASCADE VIEW MISSION STATEMENT
Cascade View Elementary is a place where people want to learn as part of a world-class education. Our school is a home away from home, an open door, a place of rigor, wellness, and scholarship where students earn an education that matters and where everyone can expect to have an amazing experience. We do what it takes, we do no harm, we set no limits on our potential to learn and grow, we do it like a family, and we LOVE what we do.

Well, February has thrown us a few curve balls (no, make that snow balls!), hasn't it? We trust that everyone has simply enjoyed the unexpected snow for exactly what it is--a chance to make great memories with family and friends even if that meant school needed to be cancelled. What I've found to be both tremendous and heartwarming is the fact our students have shown up back at school, after these cancelled snow days, with both joy to be back and an eagerness to get back together with friends and teachers to continue the work of teaching and learning. One might think that things are more than a little chaotic at school after coming back from unexpected breaks, but this is not the case for us here at Cascade View. With the routines and expectations we have in place, and with our experienced staff knowing how to make the necessary
adjustments, our students, quite literally, "don't miss a beat!" And I am both proud and thankful for that.

With the end of February right around the corner, we begin the process of getting ourselves ready for all that Spring brings--from our "Spring Into Kindergarten" event and our preparations for the Smarter Balanced Assessments, to the various orientations (to middle school for our sixth graders!) and all the end of the year things that need careful planning, we are about into the time of year where things only seem to speed up. Before we know it, the last week of school will be here (gotta add in those snow days!) and we'll be saying "Happy Summer" to our kids! But let's first agree to get through all the snow! Thanks for joining us on this crazy winter ride and for your patience and understanding as our district leaders made their intentional and thoughtful decisions to keep our students and staff safe through every dropped snowflake.

And as always, thanks for sending us your kids.

Mr. L
Proud Principal

Report Cards

First semester report cards have been printed and will be sent home with your student(s) today, February 14 via Kid Mail.

PTA Dad’s and Donuts Postponed

Due to the crazy winter weather we’ve been having, PTA made the decision to postpone Dad’s and Donuts. We will keep you posted on a new date once the PTA has rescheduled and announced it. Thank you for your understanding!

Inclement Weather Information

Snow, snow, snow... will be here before you know it. Below are some important resources to be familiar with and keep handy in the event of inclement weather. Please note that the district's inclement weather information is also available at www.sno.wednet.edu/weather or on all school websites.

- Click here for more information regarding our inclement weather procedures and communicating with families and staff. Our site also includes important links to community resources such as Puget Sound Energy, Snohomish County PUD and Snohomish County road closures.
- Click here to access Limited Transportation Bus Routes & Schedules.
Click here to download a one-page Inclement Weather Information Bulletin.

In the event of inclement weather and our schools are closed or are starting late, announcements will be made through the following systems:

• Automated phone calls and emails are sent to all district families through the School Messenger system (the system is automatically populated with the primary phone numbers and email addresses available in Skyward/Family Access).
• A notice is posted on the district Facebook page
  - www.facebook.com/snohomishschooldistrict
• A notice is placed on the district website at www.sno.wednet.edu
• Local television and radio stations are notified.
• Emails are sent through our listserv newsletter subscription system.
• A notice is sent to the statewide public emergency notification system
  - www.flashalertseattle.net

It’s so important to make sure kids come to school dressed appropriately for the cold weather. Please be sure kids are wearing warm clothing, coats and shoes/boots that cover their entire feet. Be sure to write names in coats and personal items, so that they are easily reunited with your student(s) in the event they are lost.

Nurses Needed

Join our Snohomish School District team as a substitute nurse. Don’t miss out on this fantastic opportunity to work with a great group of students, teachers, staff and community! Licensed substitute nurses in our district can earn:

• $23.32/hour (LPN)
• $28.90/hour (RN)
• $160/day (certificated nurse)

Contact Human Services at (360) 563-7259 for more information. To apply: Complete the online application at snohomishjobs.hrmplus.net. Select “Register” and follow the online registration steps.

Join our Team! Para Educator Substitutes Needed!

Do you know someone who would make a great para educator substitute? Interested applicants need one of the three following items: BA or AA from a college or university; 72 quarter or 48 semester college credits; or successfully pass the para pro test with a score of 461. We offer competitive wages ($17.21-$18.18/hour).

If you are interested in joining our team, please apply today at:
https://snohomishjobs.hrmplus.net/JobOpenings.aspx (listed under Substitute Para Educators). Call 360-563-7247 with questions.

Keep Flu Out of School

Influenza, also called the flu, is a contagious viral infection of the nose and throat. Flu is easily spread through coughing and sneezing. It can make chronic medical conditions, like asthma, worse. Flu is not the same as the ‘stomach flu’. The flu is a serious disease that is much more dangerous than the common cold. Every year in the United States an average of 100 children die from flu, many of whom were otherwise healthy (CDC, 2017b; Flannery et al., 2017).

This disease usually peaks in Washington between January and March and flu activity is currently on the rise in our area. Please be reminded of our protocol to keep your child home 24 hours after having a fever of 100+ degrees. This means 24 hrs without fever-reducing medications like Advil or Tylenol. Hand washing is the best preventive measure as well as cough etiquette and getting a flu vaccine annually. Children ages 6 months through 18 years can receive a seasonal flu vaccine at no cost through the Vaccines for Children (VCF) program.

You can educate yourself about the differences between flu and colds, remedies, success stories and more at www.preventchildhoodinfluenza.org/school, or at many other on-line sites. The Washington State Department of Health has weekly updates regarding the flu at: www.doh.wa.gov/YouandYourFamily/IlnessandDisease/Flu.

Measles Resources

The health of our students is important to us, and we work hard to keep the school environment clean and to partner with families to teach and model good hygiene practices. We also remain in close contact with local health agencies to stay alerted to any serious outbreaks of communicable illnesses. As you may have heard/read in recent media, as of January 20, there were 21 confirmed cases of measles in the state of Washington. Please note there are no known cases of measles in the Snohomish School District. Below is some information and resources regarding measles:

- Washington State Dept of Health – Measles in Washington
- Centers for Disease Control and Prevention – Measles (Rubeola)
- Measles fact sheet- English
- Measles fact sheet- Spanish
Upcoming Events

Hansen Shoe Fund
All district schools will be accepting donations for the Hansen Shoe Fund as part of the Snohomish Education Foundation’s Annual Hansen Shoe Fundraiser. Join us February 21 - March 1 to take advantage of this opportunity to provide students with shoes they need to fit their growing feet.

Our PTA Hospitality Coordinators, Karen Moores and Erica Farmer, would like to invite all parents to the Staff Appreciation Week Planning Meeting on February 27 at 6pm in the Cascade View Library.

Kids in the Kitchen/Junior Chef Competition
Each year, the Snohomish School District holds the Kids in the Kitchen/Junior Chef Competition, which is sponsored by the Food Service Department.

Submittal info- District 4th - 6th grade students are invited to submit recipes for their favorite after-school snacks. The recipes, which must be submitted by Friday, March 1, do not have to be original. They can be family recipes or from cookbooks, the internet, etc. Recipe submittal forms are available by clicking here.

Finalists and competition - Student finalists will be selected and notified by late April 2019. Finalists will be selected from the submitted recipes and will be invited to prepare their creations at Glacier Peak High School. Families, teachers and principals will be invited to taste these culinary masterpieces at a Friday, May 17, event. The young chefs will feature their creations at a 4:00 pm reception on Friday, May 17, in the Glacier Peak
High School Commons. A panel of judges will select the grand prize winners. Past award categories have included:

- Health-conscious foods
- Simple, kid-friendly preparation
- Fun food
- Judge’s choice

All finalists will receive a framed certificate, a recipe book which includes all of the finalists’ recipes, an apron/chef’s coat, as well as a medal. Grand prize winners will receive an additional award. Transportation will not be provided for the cook-off. Kids will need to be dropped off and picked up at Glacier Peak High School. In addition, students will be supervised by kitchen staff and Glacier Peak High School culinary students during the food production to help ensure that safe food practices are followed and that no one gets hurt. For more information, call the Food Service Department at 360-563-7298.

Spring into Kindergarten Event

Mark your calendars for our Spring into Kindergarten event. All 2019-2020 kindergarten families and students are highly encouraged to attend. Spring into Kindergarten will be held on Wednesday, March 6, from 4:00 – 7:00 pm at district elementary schools. Families should return their kindergarten registration paperwork that day. Each school will also be conducting school tours and having important information available for families (WaKIDS, PTA/PTO/parent organizations, bus transportation, special services and more).

- For more information, please contact the elementary school your child will attend or click here.
- Click here to download the kindergarten registration handbook.
- Click here to download a complete packet of new student registration forms (English).

Centennial Spring Preview Night

6\textsuperscript{th} grade parents and students are invited to attend Centennial’s “Spring Preview Night” on Thursday, March 7, beginning at 6:30 pm in the main gym. To learn more about the Special Education programs and staff at CMS, please attend a meeting in the library beginning at 5:30 pm. See attached flyers for more information.

Literacy Night Donations

Cascade View’s Literacy Night is coming up on Thursday, March 21 from 6:00 – 7:30 pm. Our theme this year is “Circus”! The committee is asking for book donations (new or gently used), as well as two or three outdoor canopy tents to make the night a hit! If you have a canopy tent we can borrow, please contact Jodie Caldwell at Jodie.caldwell@sno.wednet.edu or Abbey Baumgartner at abbey.baumgartner@sno.wednet.edu.

Student Drop-Off and Pick-Up Lanes

In an effort to build leadership among our sixth graders, and provide a great service to our community, we have student traffic butlers! Every week, we will have a crew of sixth graders out along the parent drop-off/pickup lane to help insure student safety and help the drive line run more efficiently. Here’s what you can do to help:

When in the queue lane, drive as far ahead as possible as guided by our traffic butlers - rain or shine- before loading or unloading your student. This helps to get as many cars as possible into the safe zone to move students in and out of cars. And, please load and unload students only in the safe zone next to our sidewalks.

**We are far enough into the school year that parents of kindergarteners should feel comfortable letting their kindies exercise the freedom and responsibility of walking down the sidewalk to join their class lines.

- Please stay in your car - if you need to get out of your car for any reason, please park in one of the lot stalls. **This includes parents wanting to walk to their kindergarteners to join the class lines.
- Your children should load and unload on the right-hand side of your vehicle next to the safe sidewalk. It is not safe to have students exit on the left as they are then exposed to oncoming traffic!
• When you can safely do so, please merge in to the left “passing” lane to exit from the queue line. And please, do this slowly and safely in conjunction with the other parent drivers. Please avoid “straddling the line” until it is time to merge. We can better keep cars moving if we utilize both lanes as much as possible.

• At all times, please wear smiles and patience! We are doing the best we can to keep our kids safe—and you should assume all other parents have only the best intentions in mind when they, too, are on our campus.

• **Stay 100% attentive** – please **no cell phones while you are behind the wheel, especially on our campus**; little bodies can dart fast from one place to another, and they can be hard to see from the driver’s seat. And...remember those smiles!

Thank you for helping make our school a safe and positive atmosphere at all times!!

**TouchBase Family Communications**

Snohomish School District has a new way to pay online fees. Student food service accounts, athletic fees, fines and other fees may be paid online using your debit or credit card through our TouchBase link - [https://wa-snohomish.intouchreceipting.com/](https://wa-snohomish.intouchreceipting.com/)

Through TouchBase, we have combined our online food service portal with our middle and high school online payment system. Parents and guardians are able to make payments for all their students, attending multiple schools, through a single system. A link to the TouchBase site is available on every school website and the district website.

Please pay online to avoid wait times at your school bookkeeping or main office. The link is - [https://wa-snohomish.intouchreceipting.com/](https://wa-snohomish.intouchreceipting.com/). Payments made to a student’s food service account will be reflected within 12-24 hours. There is a $1.25 convenience fee per TouchBase transaction.

For parents with multiple students in the district, you are able to see all of your students with your one username and password. Once you’ve selected your student, the shopping experience will be specific to that student. **You must be signed with the parent’s or guardian’s Skyward/Family Access login in order to view all of the students in your household. If logged in as a student, you will only be able to see that individual student.**

**Family login**
- Username: Skyward Family Access Username
- Password: Skyward Family Access Password (CaSe SeNsItiVe)

**Student login**
- User Name: (your child’s student number, including leading 0)
- Password: (student’s last name — with a capital first letter and any other letter that may be capitalized in the last name - example McDonald)
Click on student’s name
• This will give you options to pay the fines or shop for other items.
• You may also view the student’s purchase history through the TouchBase system.

Important Arrival and Dismissal Information

The front doors are unlocked at 8:25 am and students are welcome to enter the building at that time. Adult supervision begins at 8:20 am. Students that are walking to school or being dropped off by parents should arrive after 8:20 am. Exception: Children getting breakfast before school are welcome to enter the gym at 8:10 am.

When dropping your children off in the mornings- Please enter our visitor lot and drop your student(s) off along the load/unloading curb in the front of the school. Please do not use the bus lane in the staff lot or special transportation lanes along the front side of the school. Thank you for helping us keep the lines moving quickly and safely by pulling all the way up to the front of the drop off area, remaining in your car and having your child(ren) ready to unload from the passenger side of your vehicle. There is absolutely no parking along the curb. Likewise, in the afternoons, please pull forward and wait in your car. Once you have safely dropped off your student, please use the left lane to pass other cars and exit the lot. You are also welcome to park in our visitor lot and walk out front to greet your child(ren).

As always, thank you for your diligence in helping keep our kids safe by honoring the Washington State laws regarding no cell phone use while operating a vehicle – especially while on the school campus.

Bus Riders:

If your child(ren) will be riding the bus for the majority of the year, we strongly encourage you to have them ride the very first days of school. While we understand that the first day of school is exciting and you may be tempted to make it even more special by dropping
them off at school, please have them ride the bus. These first few days are very important for the transportation department to solidify their headcounts, bus routes and give important safety information and bus expectations to all of the students in the beginning of the year. It is natural for younger or new students to be a little nervous the first day.

**A wonderful way to empower your student to take this important step of independence and be a part of this special day is to put them on the bus in the morning and then meet them at the school, celebrate their step of independence and see them off to their class.**

**Due to the number of students assigned to each bus and the limited amount of seating, please minimize asking for bus passes for your child to ride a bus different from the one they are assigned to.**

**If you need to request a permanent bus pass/change – the transportation request forms can be found on the Snohomish School District website or you can pick one up in our main school office.**

**Attendance:**

If your child will not be at school, please call our Attendance line at 360-563-7070 as soon as possible to excuse your child's absence.

*Please note that you may still receive an automatic attendance call or email if you notify the office after 9am.*

**Tardy Arrivals:**

Attendance is taken at 8:35 am when the bell rings. Students arriving after that will need to come through the office, be signed in by a parent and take a yellow admit slip to their teacher. The purpose of the admit slip is for the office to communicate to the teacher that the student has been signed in and the student's "absence" will be changed to a "tardy".

Thank you in advance for making every effort to get your children to school on time. In addition to modeling a life-long good habit of punctuality, arriving on time means that your student will not miss out on beginning of the day instructions or distract others' learning by entering late.

*Disconcerting fact: Students that regularly arrive 10 minutes late (or leave 10 minutes early) miss out on 30 hours of learning a year.*

**Early Dismissals:**

Consistent attendance is so important to your child's education, however, we understand that families have appointments and occasional events that sometimes conflict with the school schedule. If you need to pick your student up before school lets out, please come
into the office to sign your student out before 3:00 pm Monday-Thursday or before 12:45 pm on Fridays. We will not be calling students down during the last 15 minutes of school (the last 30 minutes on Fridays).

Thank you for doing what you can to schedule appointments and extra-curricular activities around the school schedule! By prioritizing school, it emphasizes to kids how valuable education is.

**Please note that a "tardy" exceeding 30 minutes or an early release more than 30 minutes before dismissal counts as a half day absence in Skyward. Two half-day absences count as 1 full absence in your student's record.

**Parent Notes Information**

**Note Writing:**

Written notes to excuse your child's absence, request a parent pick-up pass, or inform the school of any other situations regarding your children's needs (including a change to your child’s end-of-the-day transportation home routine) are seen by the teacher then turned in to the office for appropriate follow up actions.

In order to accurately and quickly assimilate parent communications, Mrs. Byers would so appreciate notes of any kind to include the following information.

All Notes Need to Include:

Your child's first and last name

Teacher's name

The date the note is regarding

The action needed (excuse an absence; parent pick-up today, going home with a friend)

*If a Pick-up pass is needed, please also include:

-First and last name of adult picking your child up (if other than parent)

* If requesting a pass for your child to ride a different bus than normal, please include:

-The bus route number

-The first and last name of the student your child is riding with

-The address of the stop your student is getting off at

*(please note that approving these are subject to seating availability on the bus)*
Thank you so much! We are excited to share a fabulous year with you!

Parking Lot and Campus Safety

We live in a world of technology - no doubt! But, when you are operating a vehicle on school grounds we ask that your full attention be on driving - not on your smart phone.

We have had several incidents of unawareness while driving that have caused some near-misses, rolling into crosswalks while children are crossing and caused delays in the parent pick-up lines while folks are on their phones. Thank you for being diligent in prioritizing and modeling safety to and for our students!

Special Transportation Bus Lane

Please be aware that the car lane that runs in front of the school (parallel with Park Avenue) is for our Special Transportation busses. Many of the students riding these busses require assistance to load on and off the bus. Please do not park, drop off or pick up your students in that bus lane. Please use the parent pick-up and drop-off lane in front of the school. Thank you so much for your understanding and cooperation!

A Friendly Reminder from the Main Office~

When making appointments for your children, it would be ideal if you would schedule them with the intent that they miss as little school as possible. If you still need to pick them up during the school day, please send a note with your student letting us know what time you will arrive. This minimizes searching for them during recesses or lunchtime.

**Please note that the last 15 minutes of each day is a time dedicated to the dismissal process. We ask that you do not come in to excuse your student for an early release during this time (Emergencies being an exception, of course).**

Any calls made to the office to alter your child’s transportation home must be made before this time in order to ensure the pass can be made and delivered to your student.
Dogs on Campus

Please read the attached district policy regarding animals in schools and buildings. Cascade View does not allow dogs on campus. Animals are only allowed inside District schools and buildings or on District property as defined below:

- Service and/or therapy dogs. Service and/or therapy dogs must have current vaccinations, be trained and registered, and kept on leashes or
- Any animals used as part of an instructional program.

Free Swim Lesson Session for District 2nd Graders

Swim for Life is offering every 2nd grader enrolled in the Snohomish School District a free session of group swim lessons at the Snohomish Aquatic Center for the 2018-2019 school year. (Note: Sessions are typically 4 or 5 weeks long, and classes are offered once or twice a week.) This community program is being funded through generous donations raised through Swim for Life. To learn how to register and other program information, visit www.sno.wednet.edu/2ndgradeswim. Swim for Life is a nonprofit organization formed by local community members who have a passion for enriching the lives of young people in our community. Its mission is to make young people safer in the water.

Cascade View Health Room is in need of **Sweat Pants**. If you have any clean sweat pants, in good condition, that your child no longer wears, we would love to put them to good use for our students who may need a change of clothes at school. Thank you so much for your generosity!!!

How to Become a Volunteer

Snohomish is known for coming together to support education and our students, and our strength comes from the people who work and volunteer in our schools and across our district. Volunteers have many opportunities to work with children and schools by assisting on the playground, in the classroom or library, as well as tutoring, chaperoning field trips, serving on committees or assisting with school projects and newsletters. An hour of time can make a valuable difference.

All volunteer applications and records are now maintained at the district office. Approved volunteer applications are valid for two calendar years from date of approval. The district office is maintaining a single database of applications on file (included is date of application and expiration date). Currently, more than 4,000 people are registered as active volunteers in our district. If you are a new volunteer to your child’s school or the district, more information and applications are located at www.sno.wednet.edu/volunteers. Information is also located on every school website under the Community tab of the sites.
