CASCADE VIEW MISSION STATEMENT

We do what it takes, we do no harm, we set no limits on our potential to learn and grow, we do it like a family, and we LOVE what we do.

I think I can safely speak on behalf of the entire staff when I say a huge thank you for such an amazing 'teacher appreciation' week! I don't think I've ever experienced a week quite like this past week when we've all been made to feel appreciated and valued from so many families and students. At Cascade View, we firmly believe every staff member is an educator, no matter their role, which is why I, personally, appreciate our community for recognizing all staff members during this particular week. Whether or not you have personally witnessed our staff in action, I have faith you understand that the work we do with kids is often very complex, often challenging, often joyful, and always rewarding. We do feel we do the world’s most important work and we continue to thank you for your positive partnership in this incredible endeavor called school. With deep gratitude, thank you for gifting us with such a special week of treats and memories.

Also, we’ve started the state Smarter Balanced Assessments this week--initial feedback from our teachers seem to indicate great pride in our students for taking the assessments seriously and for doing their best. Assessments like the SBA are simply snapshots of student proficiency--the information we receive from these assessments do help us to make systemic, programmatic decisions to improve how we educate our students. When our kids give their best effort (which is what we want and expect from them at all times), we get back better information to serve them more effectively. This is just one more reason why we are so proud of our kids! We love that we are a part of their lives; and they ours.

Proud Principal

Volunteer Registration System

Our school is migrating toward a new SafeVisitor Solutions volunteer registration system. WSP background checks are now done online via SafeVisitor Solutions. We ask that all volunteers complete this new process, even if you are already on the approved list from the past two years. Background checks are completed within 24 hours, no long wait for approval. Follow this link to complete the application: https://secure.safevisitorsolutions.com/Safe/Volunteer/snohomish/volunteer
Safe Shoes at School

Flip flops are great for vacations, but we still need kids in safe shoes while at school, especially for PE class and recesses. Please make sure your student(s) come to school wearing appropriate shoes. Thank you!

Friendly Reminder for Students on Professional Dress

We are heading in to the warmer weather season! To try and avoid those awkward and embarrassing moments for our students who violate the dress code, please remind your students that modesty is the best policy. We appreciate your partnership and help with this request. The dress code is attached for your ease. If you have any questions, please feel free to contact the school office.

PAWS for Reading

On Monday, May 13, PAWS for Reading animals will be in the Cascade View Library from 3:15 to 4:15 p.m. (right after school). Students MUST be accompanied by an adult. Students, and their siblings, can read to animals (dogs and a cat) and they can check-out books during this time. They will also be given a personalized bookmark from each animal that they read to and a little “treat.”

PTA Meeting

There is one more PTA meeting scheduled for this school year on Thursday, May 16. The meeting will be at 6:30 p.m. in the Cascade View library.

Superintendent Kultgen will be at this meeting to discuss the work and recommendation of the Citizens Facility Advisory Committee (CFAC) and to get additional community feedback. CFAC is a community-based work group whose goal is to recommend to the Snohomish School Board a potential capital improvement initiative. That recommendation will be made at the May 8 School Board meeting. The group’s recommendation includes the replacement of Cathcart Elementary, Seattle Hill Elementary, Emerson Elementary/Central Primary Center, Dutch Hill Elementary, Cascade View Elementary and Totem Falls Elementary. Additionally, the group prioritized safety and security projects across the district, the repair/replacement of the maintenance and transportation facilities, and smaller projects at our secondary schools and the Snohomish Aquatic Center. The timeline or order of these projects has not been set as such decisions are up to the School Board. The School Board will decide which projects, if
any, are included as well as the timeline. The School Board plans to make its decision September 2019.

We hope you are able to make this important meeting with Superintendent Kultgen to learn more about the CFAC group’s work. Additional information is also available at www.sno.wednet.edu/cfac if you are interested in reviewing some of the work completed to date.

Snohomish Early Learning Fair

Bring your family to the Snohomish Early Learning Fair at Machias Elementary on May 16 from 5:00 to 6:30 p.m.! Free pizza will be provided for families who come to learn about the resources available to help them as they navigate the experience of raising young children. At this event, children will have a chance to play games that improve math skills, pretend to be a prince or princess at the imaginative play area, practice cutting skills at the crown creation station, listen to story time, and take home lots of free kindergarten readiness supplies!

We will also be hosting informational booths from our district's community partners including Sno-Isle Libraries, Developmental Preschool, ECEAP, Snohomish Aquatic Center, The ARC, and Snohomish County Early Head Start. This is an event your families won't want to miss!

Kindergarten readiness is a developmental process that begins at birth and this event is ideal for families in the Snohomish area who have babies, toddlers, preschoolers, and kindergarteners. If you have a child, grandchild, niece, nephew, etc. between the ages of birth to 6 years old, if you are a nanny of small children, if you are wondering how to help prepare your preschooler for kindergarten, if you are in need of community resources for your family, if you are wondering how to entertain your teenager in a meaningful and developmentally appropriate way, or if you just want more information about early learning and child development – this event is for YOU!!

A parent is their child's first teacher, but you don't have to do it alone! Let's learn together!

• THANK YOU to parents who have already taken your child to get this important vaccine!

Keep Flu Out of School

Influenza, also called the flu, is a contagious viral infection of the nose and throat. Flu is easily spread through coughing and sneezing. It can make chronic medical conditions, like asthma, worse. Flu is not the same as the ‘stomach flu’. The flu is a serious disease that is much more dangerous than the common cold. Every year in the United States an average of 100 children die from flu, many of whom were otherwise healthy (CDC, 2017b; Flannery et al., 2017).

This disease usually peaks in Washington between January and March and flu activity is currently on the rise in our area. Please be reminded of our protocol to keep your child home 24 hours after having a fever of 100+ degrees. This means 24 hrs without fever-reducing medications like Advil or Tylenol. Hand washing is the best preventive measure...
as well as cough etiquette and getting a flu vaccine annually. Children ages 6 months through 18 years can receive a seasonal flu vaccine at no cost through the Vaccines for Children (VCF) program.

You can educate yourself about the differences between flu and colds, remedies, success stories and more at www.preventchildhoodinfluenza.org/school, or at many other on-line sites. The Washington State Department of Health has weekly updates regarding the flu at: www.doh.wa.gov/YouandYourFamily/IllnessandDisease/Flu.

**Measles Resources**

The health of our students is important to us, and we work hard to keep the school environment clean and to partner with families to teach and model good hygiene practices. We also remain in close contact with local health agencies to stay alerted to any serious outbreaks of communicable illnesses. As you may have heard/read in recent media, as of January 20, there were 21 confirmed cases of measles in the state of Washington. Please note there are no known cases of measles in the Snohomish School District. Below is some information and resources regarding measles:

Student Drop-Off and Pick-Up Lanes

In an effort to build leadership among our sixth graders, and provide a great service to our community, we have student traffic butlers! Every week, we will have a crew of sixth graders out along the parent drop-off/pickup lane to help insure student safety and help the drive line run more efficiently. Here’s what you can do to help:

When in the queue lane, drive as far ahead as possible as guided by our traffic butlers - rain or shine- before loading or unloading your student. This helps to get as many cars as possible into the safe zone to move students in and out of cars. And, please load and unload students only in the safe zone next to our sidewalks.

**We are far enough into the school year that parents of kindergarteners should feel comfortable letting their kindies exercise the freedom and responsibility of walking down the sidewalk to join their class lines.

- Please stay in your car - if you need to get out of your car for any reason, please park in one of the lot stalls. **This includes parents wanting to walk to their kindergarteners to join the class lines.
- Your children should load and unload on the right-hand side of your vehicle next to the safe sidewalk. It is not safe to have students exit on the left as they are then exposed to oncoming traffic!
- When you can safely do so, please merge in to the left “passing” lane to exit from the queue line. And please, do this slowly and safely in conjunction with the other parent drivers. Please avoid “straddling the line” until it is time to merge. We can better keep cars moving if we utilize both lanes as much as possible.
- At all times, please wear smiles and patience! We are doing the best we can to keep our kids safe—and you should assume all other parents have only the best intentions in mind when they, too, are on our campus.
- Stay 100% attentive – please- no cell phones while you are behind the wheel, especially on our campus; little bodies can dart fast from one place to another, and they can be hard to see from the driver’s seat. And...remember those smiles!

Thank you for helping make our school a safe and positive atmosphere at all times!!
Snohomish School District has a new way to pay online fees. Student food service accounts, athletic fees, fines and other fees may be paid online using your debit or credit card through our TouchBase link - [https://wa-snohomish.intouchreceipting.com/](https://wa-snohomish.intouchreceipting.com/)

Through TouchBase, we have combined our online food service portal with our middle and high school online payment system. Parents and guardians are able to make payments for all their students, attending multiple schools, through a single system. A link to the TouchBase site is available on every school website and the district website.

Please pay online to avoid wait times at your school bookkeeping or main office. The link is - [https://wa-snohomish.intouchreceipting.com/](https://wa-snohomish.intouchreceipting.com/). Payments made to a student’s food service account will be reflected within 12-24 hours. There is a $1.25 convenience fee per TouchBase transaction.

For parents with multiple students in the district, you are able to see all of your students with your one username and password. Once you’ve selected your student, the shopping experience will be specific to that student. **You must be signed with the parent’s or guardian’s Skyward/Family Access login in order to view all of the students in your household. If logged in as a student, you will only be able to see that individual student.**

**Family login**
- Username: Skyward Family Access Username
- Password: Skyward Family Access Password (CaSe SeNsItiVe)

**Student login**
- User Name: (your child’s student number, including leading 0)
- Password: (student’s last name — with a capital first letter and any other letter that may be capitalized in the last name - example McDonald)

**Click on student’s name**

Important Arrival and Dismissal Information

The front doors are unlocked at 8:25 a.m. and students are welcome to enter the building at that time. Adult supervision begins at 8:20 a.m. Students that are walking to school or being dropped off by parents should arrive after 8:20 a.m. Exception: Children getting breakfast before school are welcome to enter the gym at 8:10 a.m.

When dropping your children off in the mornings - Please enter our visitor lot and drop your student(s) off along the load/unloading curb in the front of the school. **Please do not use the bus lane in the staff lot or special transportation lanes along the front side of the school.** Thank you for helping us keep the lines moving quickly and safely by pulling all the way up to the front of the drop off area, remaining in your car and having your child(ren) ready to unload from the passenger side of your vehicle. There is absolutely no parking along the curb. Likewise, in the afternoons, please pull forward and wait in your car. Once you have safely dropped off your student, please use the left lane to pass other cars and exit the lot. You are also welcome to park in our visitor lot and walk out front to greet your child(ren).

As always, thank you for your diligence in helping keep our kids safe by honoring the Washington State laws regarding **no cell phone use while operating a vehicle – especially while on the school campus.**

**Bus Riders:**

If your child(ren) will be riding the bus for the majority of the year, we strongly encourage you to have them ride the **very first days of school.** While we understand that the first day of school is exciting and you may be tempted to make it even more special by dropping them off at school, please have them ride the bus. These first few days are very important for the transportation department to solidify their headcounts, bus routes and give important safety information and bus expectations to **all** of the students in the beginning of the year. It is natural for younger or new students to be a little nervous the first day.
**A wonderful way to empower your student to take this important step of independence and be a part of this special day is to put them on the bus in the morning and then meet them at the school, celebrate their step of independence and see them off to their class.**

**Due to the number of students assigned to each bus and the limited amount of seating, please minimize asking for bus passes for your child to ride a bus different from the one they are assigned to.**

**If you need to request a permanent bus pass/change – the transportation request forms can be found on the Snohomish School District website or you can pick one up in our main school office.**

**Attendance:**

If your child will not be at school, please call our Attendance line at 360-563-7070 as soon as possible to excuse your child’s absence.

*Please note that you may still receive an automatic attendance call or email if you notify the office after 9:00 a.m.*

**Tardy Arrivals:**

Attendance is taken at 8:35 a.m. when the bell rings. Students arriving after that will need to come through the office, be signed in by a parent and take a yellow admit slip to their teacher. The purpose of the admit slip is for the office to communicate to the teacher that the student has been signed in and the student's "absence" will be changed to a "tardy".

Thank you in advance for making every effort to get your children to school on time. In addition to modeling a life-long good habit of punctuality, arriving on time means that your student will not miss out on beginning of the day instructions or distract others' learning by entering late.

*Disconcerting fact: Students that regularly arrive 10 minutes late (or leave 10 minutes early) miss out on 30 hours of learning a year.*

**Early Dismissals:**

Consistent attendance is so important to your child's education. However, we understand that families have appointments and occasional events that sometimes conflict with the school schedule. If you need to pick your student up before school lets out, please come into the office to sign your student out before 3:00 p.m. Monday-Thursday or before 1:30 p.m. on Fridays. We will not be calling students down during the last 15 minutes of school (the last 30 minutes on Fridays).
Thank you for doing what you can to schedule appointments and extra-curricular activities around the school schedule! By prioritizing school, it emphasizes to kids how valuable education is.

**Please note that a "tardy" exceeding 30 minutes or an early release more than 30 minutes before dismissal counts as a half day absence in Skyward. Two half-day absences count as 1 full absence in your student's record.**

**Parent Notes Information**

**Note Writing:** Written notes to excuse your child's absence, request a parent pick-up pass, or inform the school of any other situations regarding your children's needs (including a change to your child’s end-of-the-day transportation home routine) are seen by the teacher then turned in to the office for appropriate follow up actions.

In order to accurately and quickly assimilate parent communications, Mrs. Byers would so appreciate notes of any kind to include the following information.😊

All Notes Need to Include:

Your child's first and last name

Teacher's name

The date the note is regarding

The action needed (excuse an absence; parent pick-up today, going home with a friend)

*If a Pick-up pass is needed, please also include:

-First and last name of adult picking your child up (*if other than parent*)

* If requesting a pass for your child to ride a different bus than normal, please include:

-The bus route number

-The first and last name of the student your child is riding with

-The address of the stop your student is getting off at

*(please note that approving these are subject to seating availability on the bus)*

Thank you so much! We are excited to share a fabulous year with you!
Parking Lot and Campus Safety

We live in a world of technology - no doubt! But, when you are operating a vehicle on school grounds we ask that your full attention be on driving - not on your smart phone.

We have had several incidents of unawareness while driving that have caused some near-misses, rolling into crosswalks while children are crossing and caused delays in the parent pick-up lines while folks are on their phones. Thank you for being diligent in prioritizing and modeling safety to and for our students!

Special Transportation Bus Lane

Please be aware that the car lane that runs in front of the school (parallel with Park Avenue) is for our Special Transportation busses. Many of the students riding these busses require assistance to load on and off the bus. Please do not park, drop off or pick up your students in that bus lane. Please use the parent pick-up and drop-off lane in front of the school. Thank you so much for your understanding and cooperation!

A Friendly Reminder from the Main Office~

When making appointments for your children, it would be ideal if you would schedule them with the intent that they miss as little school as possible. If you still need to pick them up during the school day, please send a note with your student letting us know what time you will arrive. This minimizes searching for them during recesses or lunchtime.

**Please note that the last 15 minutes of each day is a time dedicated to the dismissal process. We ask that you do not come in to excuse your student for an early release during this time (Emergencies being an exception, of course).**

Any calls made to the office to alter your child’s transportation home must be made before this time in order to ensure the pass can be made and delivered to your student.
Dogs on Campus

Please read the attached district policy regarding animals in schools and buildings. Cascade View does not allow dogs on campus. Animals are only allowed inside District schools and buildings or on District property as defined below:

- Service and/or therapy dogs. Service and/or therapy dogs must have current vaccinations, be trained and registered, and kept on leashes or
- Any animals used as part of an instructional program.

Free Swim Lesson Session for District 2nd Graders

Swim for Life is offering every 2nd grader enrolled in the Snohomish School District a free session of group swim lessons at the Snohomish Aquatic Center for the 2018-2019 school year. (Note: Sessions are typically 4 or 5 weeks long, and classes are offered once or twice a week.) This community program is being funded through generous donations raised through Swim for Life. To learn how to register and other program information, visit www.sno.wednet.edu/2ndgradeswim. Swim for Life is a nonprofit organization formed by local community members who have a passion for enriching the lives of young people in our community. Its mission is to make young people safer in the water.

Cascade View Health Room is in need of Sweat Pants. If you have any clean sweat pants, in good condition, that your child no longer wears, we would love to put them to good use for our students who may need a change of clothes at school. Thank you so much for your generosity!!!
