From the Health Room

The end of the school year is fast approaching. We want to ensure that your student’s leftover medication is safely returned to your home. Please make arrangements to pick-up the medication at school.

If your child needs to take medication during school hours next school year, please have your health care provider complete a new medication authorization form before school starts in the fall. Note that both a parent signature and a licensed health care provider signature are required. Bring the completed medication authorization and the medication in a properly labeled container when school begins in the fall.

Thank you for your help. Enjoy the summer.
