Donations of gently used trinket/toys for class prize box greatly appreciated!

Some of these items will be used as community supplies, so there is no need to label each one with your child’s name. However, the following items definitely need your child’s name on them: lunch box, backpack, and jackets. Clothing gets misplaced quite frequently around the school, so it is a good idea to put your child’s name on the tags.

This supply list will give us a great start to the school year, but as the year progresses, many fun learning activities will be planned that may require special/replacement supplies. I will let you know and ask for help as the need arises.

Some of these items will be used as community supplies, so there is no need to label each one with your child’s name. However, the following items definitely need your child’s name on them: lunch box, backpack, and jackets.
