NEW- Any student that has taken or completed a Summer School registration form needs to pay at their HS bookkeeping office and attach the receipt or a copy to the form and send to us at Apex/AIM. These are ALL paid classes for summer and need to be paid before that class will be set up on the start day of July 3rd. Each class costs $200 for credit retrieval and $250 for credit acceleration classes. Bookkeepers will be in the office for limited hours after school is out—but will be open. With the July 4th holiday in the middle of the week, they may be closed during that week.

REMINDERS

Summer school through Apex Online classes is available from July 3 – August 2. Students who need or want to take a class during the summer need to see their counselors for registration. Credit retrieval or advancing classes are available in required Math, English, Social Studies, Art, and some Science classes. Elective choices are available also. Daily time commitment for success in a semester of course work is 4-6 hours for 4 weeks. Lab and teacher support is available at the Parkway Campus, from 8-noon, Monday through Friday, except July 4th. Students must take all tests in the lab but can work in the lab or from home on the course work. Every course has written work as part of the course. See your counselor to register.

SHS Vocal Music Department presents: A Musical Theatre Showcase! Tomorrow at 7:00 PM in the SHS PAC. Admission is free! Bring a friend and come support your favorite singers. You may witness a special cameo by one of our own SHS teachers.

Panther Pal end of the year party is today from 4:30-6:00 pm at SHS upper practice field. We will have pizza and froyo. Please call your Panther Pal and arrange to meet them. Do not let them down.

Last day for the Panther Pause will be Wednesday, June 13th. This is the last day for both food and apparel. We will be taking physical inventory of all items and prepping for the RSVP sale in August. No sales will be possible after June 13th. Please plan and make any Panther Apparel purchases by the 13th. Thank you for a great year.

Attention all students interested in robotics, engineering, programming, running a business, or simply having fun: Glacier Peak and Snohomish High School’s robotics team, the Sonic Squirrels, are hosting an interest meeting today from 6:00 PM to 8:00 PM in room 112 at Glacier Peak. To contact us, send an
email to sonicssquirrels@gmail.com. Remember: it’s more than just robots. Join us to learn about getting involved, and you will not regret it! No experience required or expected.
