Smarter Balanced Practice Test

To access the PRACTICE TEST as a teacher or community member:

1. Go to this website (Chrome browser). If at school, there’s a shortcut for this already on your desktop.

2. Click here.

Remember, we don’t expect students to fully do these practice tests. Mine from them, have kids work on questions in partners, use pieces, project questions from it on Smart board—use them however you’d like.
To access the PRACTICE TEST as a Student:

Click on the shortcut to the Secure browser on the desktop. Then, click where it says: “Click here to go to the Practice or Training Test” at the bottom of the page.

From there, directions are the same for teacher and student:

Note: all HS students should select grade 11 practice test. There is not a separate 10th grade ELA test.

Hit the Select Button, then click on “Begin Test.”
There are Scoring Guides/Practice Rubrics/In-class Activities to go with these Practice tests. To access them:

1. Go to the following website.

2. To access the classroom activity that goes with the practice performance task.

3. To access scoring guides and rubrics.
