Coaches:

The only way we can run this program is with parents who are willing to volunteer as coaches. You don't need to know anything about robotics. It's meant to be a kid driven project. There are lots of resources for you through FIRST and through past coaches. Your team's meeting schedule can be worked around your schedule. This year each team has to have two adults cleared through the Youth Protection process with FLL. Can you help?

Would you be willing to coach a team this year? _____ YES! _____ no

Please return this form and your check for Jr.FLL \$10, FLL \$20 (written to Totem Falls PTO) to the envelope in the Totem Falls office by October 9th.
