Student Progress Sheet

Presented by Sound Transit

It is time to get ready for baseball season with some fun reading! Our school is participating in a month-long program presented by the Everett AquaSox & Sound Transit that will motivate your child to become a Home Run Reader. Each classroom and each student will have weekly and month-long reading goals, and will receive prizes as they reach their goals. The students will be reading "around the bases" in order to reach home plate and will receive prizes for completing the program. One of the prizes will be a free ticket to our school's reading night at an Everett AquaSox baseball game in June! We will be celebrating the end of the school year in style with a great night at the ballpark.

With your support and encouragement, your child will have a positive attitude toward reading and their reading skills will improve. Good reading habits will carry your child through spring & into the summer!

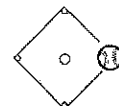

Parents, use this sheet to record the minutes or pages your child has read each night. We have indicated your child's weekly goals. Return the form to school each week per your teacher's instructions so that your teacher can track reading & prizes.
