

STRATEGIC PLANNING

Goals

The goals of the Snohomish School District are:

- **Curriculum, Instruction, and Assessment:**
Provide curriculum, instruction and assessment designed to enhance the achievement of learners.
- **Continuous Training and Development:**
Provide continuous training and development for all stakeholders in the community for the benefit of students.
- **High Performing Organization:**
Organize the district (based on information collected from internal and external sources) in ways which support the strategic plan and allow for change.
- **Committed Involvement and Partnerships:**
Provide for increased involvement and partnerships for parents, community members and staff.
- **Effective Communication:**
Enhance internal and external communication.
