### Assignment, Reassignment and Transfer

Staff shall be subject to assignment, reassignment and/or transfer of position and duties by the superintendent, such assignment to be according to law and the policies and procedures of the district. No staff member shall be involved in the selection of an applicant or in the appointment, evaluation or supervision of any other staff member who is a relative.

The superintendent shall provide for a system of assignment, reassignment, and transfer of staff, including voluntary transfers and promotions, in which vacancies shall be published. The wishes of the staff member who voluntarily requests reassignment or transfer shall be honored to the extent that the transfer does not conflict with the operational requirements and best interest of the district. Nothing in this policy shall prevent the reassignment for good cause of a staff member during the school year.
