

NONINSTRUCTIONAL OPERATIONS

Emergency Routes and Schedules

The district shall develop emergency bus routes and schedules to be used when weather conditions make the usual routes impassable or, in the superintendent's judgment, too hazardous. At the beginning of the school year, copies of emergency routes and schedules shall be distributed to parents with instructions on how to obtain emergency information.

If roads are closed to buses, but not to private vehicles, the district may continue to operate the instructional programs of the school without providing bus transportation until the roads are again open to buses.
