

TOTEM FALLS MEANINGFUL JOB PROGRAM

Dear Parents and Totem Falls Students,

September 23, 2016

We would like to welcome you back to school and tell you about the 2016-2017 Job Program at Totem Falls Elementary. It's a wonderful way for students to have opportunity to learn responsibility and skills necessary to be successful on the job.

One goal we have for all students is that they will become caring, compassionate, responsible and dependable citizens in our school and community. We believe that if we help our students understand their role as a citizen in our school, they will be able to transfer their roles to the larger community. We want our students to feel that they can make a difference in our school and that it takes all of us sharing and doing our parts to make Totem Falls a great place to learn and to be proud of.

We have identified jobs that will provide some much needed services throughout the school. Most jobs will not take more than 5-10 minutes a day and many can be performed during recess time. However, the Stage Crew position may require a commitment outside the school day.

If your child is interested in applying for a job at Totem Falls, he/she should complete an application and **return it to the school office by October 7**. Applications are located in the school office and on the bulletin board outside the school office. A list of available jobs are on the back of this page.

We are excited about giving our students this opportunity to make a real contribution to our school! We know the program will help them develop the skills and attitudes necessary to become involved citizens. If you have any questions, please feel free to contact the Job Program Coordinators at (360) 563-4785.

Patty Stromerson & Caren Klop
