Totem Falls PTO

Did you know?.....

What is CAP?

- CAP stands for Classroom Assistance Program
- We are fortunate to have two CAP Teachers at Totem Falls 😊 Carrie Newhard for the K-3 students & Cindy Roosma-Foster for the 4th -6th grade students
- CAP reduces class size by providing support to our students one-on-one or in small groups outside of the classroom
- This in turn allows the Classroom teacher to work with smaller groups
