### **OPEN SURF**

Our FlowRider® technology creates an everlasting wave for guests to "hang ten" and surf the night away (in a shark free environment). Rain or shine, FlowRider® continues to produce the ultimate wave. You can perfect your style with practice, ride the tide on your belly, or pull up a chair for prime wipeout views. Open surf sessions run for 1 hour and 45 minutes and are booked on a first-come, first-surf basis. Limit 20 guests per session.

### **FLOW LESSONS**

Learn to ride the wave like the pros. This exciting class gives youth the opportunity to spend daily time learning basic FlowRider® skills from instructors in a closed-session and low student-to-teacher ratios. Safety, boogie board riding, flowboard basics, moves like spins, dips, standup jumps, drop-in entries and other tricks may be covered as the student progresses.

**Flow Lessons—Beginner:** Students must be at least 42-inches tall, body boarding and knee boarding will be covered, 8 students per instructor.

**Flow Lessons—Intermediate/Advanced:** Students must be at least 52-inches tall, advanced body boarding and stand-up surfing will be covered, 8-10 students per instructor.

*\*Classes that do not meet the minimum enrollment requirements may be combined, rescheduled or canceled. Guests can expect communication at least 48 hours prior to the first class if adjustments are necessary.*
