LIFE JACKETS, FLOTATION DEVICES AND AQUATIC TOYS

Swim caps and goggles are allowed. The Snohomish Aquatic Center does have some lifejackets that are available free of charge. Tubes and other aquatic toys are also provided free for our guests to use while at the facility. Please do not bring noodles, swimmies, water wings, toys or any other flotation devices from home, as they will not be allowed in the pool.

POOLSIDE LIFT

We have a portable, poolside lift to assist guests needing help getting into or out of the pool. It has a 450-pound lift capacity. Guests needing assistance should contact a lifeguard. Guests must provide an assistant or be able to transfer themselves onto the seat of the lift.

POOL RULES

Safety is our top priority. Guests 6 and under must be accompanied into the pool by a supervising guest (14+) at all times. Guests 6 and under must be within arm's reach of the supervising guest. Guests 11 and under must be supervised by a guest (14+) in the building at all times. One adult may monitor no more than three children (ages 6 and under) in the water. Guests may be subject to a simple swim assessment to determine swim ability. Swim assessment consists of stroke proficiency and ability to be in the water without assistance. Youth guests who want to lap swim or use the diving boards will be tested for competency prior to being allowed in the competition pool.
