

RE: Totem Falls Elementary Walk-A-Thon 2017 Sponsor Search

The coming school year of 2017-2018 will include two major fund raisers for Totem Falls Elementary in Snohomish County.

For more than 25 years, Totem Falls has been providing a challenging academic curriculum. Through the combined efforts of staff and parents, we strive to enrich and extend the educational experience for all our students. This enrichment includes field trips, math and reading enhancements, online learning opportunities, guest speakers and most importantly, our Classroom Assistance Program (CAP). This program provides the funds necessary to place additional teachers in the Totem Falls classrooms and the results of these educators are amazing!

The 300-plus families at Totem Falls live and work in the south Snohomish and the east Mill Creek area, and eagerly frequent local businesses.

Become an event sponsor and your company name will be listed prominently in the 2017 Totem Falls Directory as well as on all printed materials supporting the event such as the fund raising packet and custom gifts/prizes.

Our goal is to raise \$1700 to support the setup of the event. For contributions of \$50, a quarter page will be devoted to the logo and business data, for \$100 a half page, and for \$250 or more, a full page print ad will be included.

Totem Falls PTO is a non-profit 501c3 organization and all donations are tax deductible. Please work with Carol Cross, 503.351.4889 to provide your donation and receive your tax deduction receipt before September 15, 2017.

If you are currently or intend to sponsor the annual Totem Falls Auction, please do not submit a sponsorship for the Walk-a-Thon. Thank you.

Sincerely

Carol Cross
