

Consent & Washington State Laws Lesson Guide

Entry Task (Activate Prior Knowledge) 5 minutes: Pass out KWL chart for laws lesson. Have students write down what they already know about Washington state sexual health laws and consent in the first column. Have students share some of the things they already know. Next have students complete the middle column about “What they WANT to learn.”

Activity 1: Begin Washington State Laws and Consent PPT.

- Second slide: Begin with Sexting, discuss repercussion, impact others.
- Third and fourth slide: What is consent? Defines consent, sexual consent, and the age of consent.
- Fifth slide: Defines rape, consequences of rape, show Consent Tea video
- Sixth slide: what to do if you are raped.
- Give students the Minors’ Health Care Rights handout have them read through the handout on their own, give time for students to ask questions or discuss with other students.

Concluding the Lesson:

Exit Ticket: complete KWL chart for the last column, “What I learned.”
