Section 2. Findings and Determinations. The Board takes note of the following facts and makes the following findings and determinations:

(a) The District issued the 2011 Bonds pursuant to the 2011 Resolution and by the 2011 Resolution reserved the right to redeem the 2011 Bonds maturing on or after December 1, 2022, prior to their stated maturity dates at any time on or after December 1, 2021, as a whole or in part (within one or more maturities selected by the District and randomly within a maturity in such manner as the Bond Registrar shall determine), at par plus accrued interest to the date fixed for redemption. There is presently outstanding \$15,085,000 principal amount of the 2011 Bonds maturing on December 1 in the years 2022 and 2023, and bearing the interest rate of 5.00% *per annum* that may be refunded under the 2011 Resolution (the "Refunded Bonds").

(b) After due consideration, it appears to the Board that the Refunded Bonds may be refunded by the issuance, sale and delivery of the Bond authorized and described herein, so that a substantial savings will be effected by the difference between the principal and interest cost over the life of the Bond and the principal and interest cost over the life of the Refunded

Bonds but for such refunding, as further set forth in Section 13(f) hereof. The Board deems it to be in the best interests of the District to issue, sell and deliver the Bond, subject to the provisions of this resolution, to accomplish the Refunding Plan. To effect the Refunding Plan in the manner that will be most advantageous to the District, the Board finds it necessary and advisable that the proceeds of the sale of the Bond be held in uninvested cash and/or applied to purchase certain Acquired Obligations bearing interest and maturing at the time or times, and as necessary to accomplish the Refunding Plan.

(c) Pursuant to the District's request (which request was set forth in Resolution No. 12-21, adopted by the Board on September 8, 2021), and the Guarantee Program, the Treasurer of the State has issued a certificate of eligibility to the District (the "Certificate of Eligibility") pledging the full faith, credit, and taxing power of the State to guarantee the payment, when due, of the principal of and interest on the Bond as provided in the Certificate of Eligibility, and the Board deems that participation in the Guarantee Program is in the District's best interests.

(d) The Purchaser has offered to purchase the Bond under the terms and conditions hereinafter set forth and pursuant to the Bond Purchase Agreement.

Section 3. Authorization of the Bond. The District shall issue, sell and deliver a single \$15,548,519.75 principal amount unlimited tax general obligation refunding bond for the purpose of providing the money required to: (a) call, pay and redeem on December 1, 2021, all of the Refunded Bonds at a price of par, plus accrued interest to and including December 1, 2021; and (b) pay the administrative costs of the refunding and the costs related to the issuance, sale and delivery of the Bond (collectively, the "Refunding Plan"), which Refunding Plan is more particularly described in the Refunding Trust Agreement.

Section 4. Description of the Bond. The District shall issue, sell and deliver the Bond as a single bond designated as the "Snohomish School District No. 201, Snohomish County, Washington, Unlimited Tax General Obligation Refunding Bond, 2021 (Taxable)." The Bond shall be in the principal amount of \$15,548,519.75; shall be dated the Date of Delivery; shall bear interest at the rate of 0.80% *per annum* (computed on the basis of a 360-day year of twelve 30-day months); shall be numbered R-1 and shall mature on the Maturity Date. Interest on the outstanding principal of the Bond shall be payable semiannually on each December 1 and June 1, commencing December 1, 2021, to the Maturity Date. Installments of principal shall be payable annually on each December 1, commencing December 1, 2021, to the Maturity Date. A debt service schedule reflecting the payments due on the Bond is attached hereto as Exhibit A, which by this reference is incorporated herein. The final installment payment of principal of and interest on the Bond at the Maturity Date shall be in an amount equal to the remaining principal and interest due on the Bond. All of the principal installment of the Bond due in the year 2021, together with \$97,797 of the principal installment due on December 1, 2022, shall constitute nonvoted debt of the District for purposes of calculating debt capacity.

Section 5. Bond Registrar; Registration and Transfer of the Bond.

Pursuant to RCW 39.46.030(3)(b), the Treasurer shall serve as Bond Registrar with respect to the Bond and is authorized, on behalf of the District, to authenticate and deliver the Bond in accordance with the provisions of the Bond and this resolution. The Bond shall be issued only in registered form as to both principal and interest and shall be recorded on the Bond

Register. The Bond Registrar shall contain the name and mailing address of the Registered Owner. The Bond may not be assigned or transferred by the Purchaser.

The Bond Registrar shall keep, or cause to be kept, at its office, sufficient books for the registration of the Bond, which books shall be open to inspection by the District at all times. The Bond Registrar is authorized, on behalf of the District, to serve as the District's authenticating agent, registrar and paying agent for the Bond and to carry out all of the Bond Registrar's powers and duties under this resolution and the System of Registration. The Bond Registrar shall be responsible for its representations contained in the Bond Registrar's Certificate of Authentication on the Bond.

Section 6. Payment of the Bond. The installments of principal of and interest on the Bond shall be payable in lawful money of the United States of America and shall be paid by check, draft or electronic transfer of the Bond Registrar sent to the Registered Owner so that such Registered Owner receives said payments when due at the address appearing on the Bond Register. Upon receipt of the final installment payment of principal of and interest on the Bond on the Maturity Date, the Registered Owner shall present and surrender the Bond to the Bond Registrar to be destroyed or cancelled in accordance with law. The District and the Bond Registrar may deem and treat the Registered Owner of the Bond as the absolute owner of the Bond for the purpose of receiving payment of principal and interest and for all other purposes, and neither the District nor the Bond Registrar shall be affected by any notice to the contrary other than proper notice of assignment or transfer.

Section 7. Prepayment Provisions. The Bond shall be issued without the right or option of the District to prepay any of the principal of or interest on the Bond prior to the scheduled installment payment dates.

Section 8. Failure to Pay Installments; No Acceleration. If any installment of principal is not paid when due, the District shall be obligated to pay interest on that installment at the same rate provided in the Bond until that installment, together with interest, is paid in full or until sufficient money for its payment in full is on deposit in the Debt Service Fund and the principal represented by such installment has been called for payment by giving notice of that call to the Registered Owner. The Bond is not subject to acceleration upon the occurrence of a payment default.

Section 9. Form and Execution of the Bond. The Bond shall be prepared in a form consistent with the provisions of this resolution and State law and shall be signed by the President and the Secretary, either or both of whose signatures may be manual or in facsimile. The Bond shall be printed at District expense and shall be delivered to the Purchaser in accordance with the Bond Purchase Agreement, together with the approving legal opinion of Bond Counsel regarding the Bond.

The Bond shall not be valid or obligatory for any purpose, or entitled to the benefits of this resolution, unless the Bond bears a certificate of authentication manually signed by the Bond Registrar stating: "This Bond is the fully registered Snohomish School District No. 201, Snohomish County, Washington, Unlimited Tax General Obligation Refunding Bond, 2021 (Taxable), described in the Bond Resolution." A minor deviation in the language of such certificate shall not void a certificate of authentication that otherwise is substantially in the form

of the foregoing. The authorized signing of a certificate of authentication shall be conclusive evidence that the Bond so authenticated has been duly executed, authenticated and delivered and is entitled to the benefits of this resolution.

If any officer whose manual or facsimile signature appears on the Bond ceases to be an officer of the District authorized to sign bonds before the Bond bearing his or her signature is authenticated or delivered by the Bond Registrar or issued by the District, the Bond nevertheless may be authenticated, issued and delivered and, when authenticated, issued and delivered, shall be as binding on the District as though that person had continued to be an officer of the District authorized to sign bonds. The Bond also may be signed on behalf of the District by any person who, on the actual date of signing of the Bond, is an officer of the District authorized to sign bonds, although he or she did not hold the required office on the date of issuance of the Bond.

Section 10. Pledge of Taxes. For as long as any principal of the Bond is outstanding, the District irrevocably pledges to levy taxes annually without limitation as to rate or amount on all of the taxable property within the District in an amount sufficient, together with other money legally available and to be used therefor, to pay when due the principal of and interest on the Bond, and the full faith, credit and resources of the District are pledged irrevocably for the annual levy and collection of those taxes and the prompt payment of that principal and interest.

Section 11. Refunding or Defeasance of the Bond. The District may issue refunding bonds pursuant to State law or use money available from any other lawful source to carry out a refunding or defeasance plan, which may include (a) paying when due the principal of and interest on the Bond (the “defeased Bond”); and (b) paying the costs of the refunding or defeasance. If the District sets aside in a special trust fund or escrow account irrevocably pledged to that defeasance (the “trust account”), money and/or Government Obligations maturing at a time or times and bearing interest in amounts sufficient to refund or defease the defeased Bond in accordance with its terms, then all right and interest of the Registered Owner of the defeased Bond in the covenants of this resolution and in the funds and accounts obligated to the payment of the defeased Bond shall cease and become void. Thereafter, the Registered Owner of the defeased Bond shall have the right to receive payment of the principal of and interest on the defeased Bond solely from the trust account and the defeased Bond shall be deemed no longer outstanding. In that event, the District may apply money remaining in any fund or account (other than the trust account) established for the payment of the defeased Bond to any lawful purpose.

Section 12. Debt Service Fund and Deposit of Bond Proceeds.

(a) From the proceeds received from the sale of the Bond, the Treasurer is authorized and directed to deposit in the Debt Service Fund any rounding (contingency) amount that is not necessary to carry out the Refunding Plan (which rounding amount shall be used to pay interest on the Bond on the earliest interest payment date), and the remaining proceeds received from the sale of the Bond shall be deposited with the Refunding Trustee in accordance with the provisions of Section 13 of this resolution.

(b) The principal of and interest on the Bond and on all other outstanding unlimited tax general obligation bonds of the District when due, shall be paid from the Debt Service Fund. All taxes collected for and allocated to the payment of the principal of and interest

on the Bond shall be deposited in the Debt Service Fund. Until needed to pay principal of and interest on the Bond, the District may invest taxes collected for and allocated to the payment of the principal of and interest on the Bond temporarily in any legal investment, and the investment earnings shall be retained in the Debt Service Fund and be spent for the purposes of that fund, except that the Board may authorize the transfer and credit of all or a portion of such investment earnings to another fund of the District pursuant to RCW 28A.320.320.

Section 13. Refunding of the Refunded Bonds.

(a) Appointment of the Refunding Trustee. Pursuant to RCW 39.53.070, the Refunding Trustee is hereby appointed to serve as trustee to oversee the safekeeping and application of the Bond proceeds delivered to it.

(b) Use of Bond Proceeds; Acquisition of Acquired Obligations. All of the proceeds of the sale of the Bond, exclusive of any rounding (contingency) amount required to be deposited into the Debt Service Fund pursuant to Section 12 of this resolution shall be deposited immediately upon the receipt thereof with the Refunding Trustee and used to: (i) discharge the obligations of the District under the 2011 Resolution relating to the Refunded Bonds by providing for the payment of the amounts required to be paid by the Refunding Plan; and (ii) pay the administrative costs of the refunding and costs related to the issuance, sale and delivery of the Bond. The Refunded Bonds shall be discharged fully by the Refunding Trustee holding the proceeds of the sale of the Bond in uninvested cash and/or applying such proceeds to purchase Acquired Obligations bearing such interest and maturing as to principal and interest in such amounts and at such times so as to provide, together with a beginning cash balance, if necessary, for the payment of the amounts required to be paid pursuant to such Refunding Plan. If purchased, the Acquired Obligations shall be listed and more particularly described in the Refunding Trust Agreement. The Refunding Trustee shall return to the District, as soon as reasonably practicable following the delivery of the Bond to the Purchaser, any Bond proceeds or other money deposited with the Refunding Trustee not needed to: (i) be held in uninvested cash to discharge the Refunded Bonds; (ii) purchase the Acquired Obligations; (iii) pay the administrative costs of the refunding; (iv) pay the costs related to the issuance, sale and delivery of the Bond; or (v) provide a beginning cash balance. Any proceeds so returned to the District shall be deposited in the Debt Service Fund to pay interest on the Bond on the first interest payment date.

(c) Administration of Refunding Plan. The Refunding Trustee is authorized and directed to hold uninvested cash and/or purchase the Acquired Obligations and to make the payments required to be made pursuant to the Refunding Plan from the uninvested cash and/or Acquired Obligations deposited with the Refunding Trustee pursuant to this resolution and the Refunding Plan. All uninvested cash and/or Acquired Obligations deposited with the Refunding Trustee and any income therefrom shall be held irrevocably, invested and applied in accordance with the provisions of the 2011 Resolution, this resolution, chapter 39.53 RCW and other applicable laws of the State and the Refunding Trust Agreement. All necessary and proper fees, compensation and expenses of the Refunding Trustee and all other costs incidental to the setting up of the escrow to accomplish the Refunding Plan and costs related to the issuance, sale and delivery of the Bond, including bond printing, verification fees, Placement Agent fees, Financial Advisor fees, Bond Counsel fees and other related expenses, shall be paid out of the proceeds of the Bond.

(d) Authorization for Refunding Trust Agreement. To carry out the Refunding Plan provided for by this resolution, the Secretary or the President, each acting independently, are authorized and directed to execute and deliver to the Refunding Trustee the Refunding Trust Agreement setting forth the duties, obligations and responsibilities of the Refunding Trustee in connection with the payment, redemption and retirement of the Refunded Bonds applicable to the Refunding Plan as provided herein and stating that the provisions for payment of the fees, compensation and expenses of such Refunding Trustee set forth therein are satisfactory to it.

(e) Call for Redemption of the Refunded Bonds. The District calls for redemption on December 1, 2021, all of the Refunded Bonds at the price of par plus accrued interest. Such call for redemption shall be irrevocable on the Date of Delivery. The Refunding Trustee is authorized and directed to give or cause to be given such notices as required, at the times and in the manner required, pursuant to the 2011 Resolution and the Refunding Trust Agreement in order to effect the redemption of the Refunded Bonds prior to their stated maturity dates.

(f) District Findings with Respect to Refunding. The Board finds and determines that the issuance, sale and delivery of the Bond at this time will effect a savings to the District and is in the best interest of the District and in the public interest. In making such finding and determination, the Board has given consideration to the interest to fixed maturities or principal installment payments, as applicable, of the Bond and to the interest on fixed maturities of the Refunded Bonds, the costs related to the issuance, sale and delivery of the Bond and the known earned income from the investment of the proceeds of the issuance, sale and delivery of the Bond pending payment and redemption of the Refunded Bonds. The Board further finds and determines that the money to be deposited with the Refunding Trustee for the Refunded Bonds in accordance with this Section 13 will discharge and satisfy the obligations of the District under 2011 Resolution with respect to the Refunded Bonds, and the pledges, charges, trusts, covenants and agreements of the District therein made or provided for as to the Refunded Bonds, and that the Refunded Bonds shall no longer be deemed to be outstanding under the 2011 Resolution immediately upon the deposit of such money with the Refunding Trustee.

Section 14. Approval of Agreement. The Purchaser has presented the Bond Purchase Agreement to the District, which written Bond Purchase Agreement is on file with the Secretary and is incorporated herein by this reference. The Board finds that entering into the Bond Purchase Agreement is in the District's best interest and therefore authorizes its execution by either the Secretary or the President.

Section 15. Guarantee Program. The District is hereby authorized to participate in the Guarantee Program with respect to the Bond and agrees to the terms and conditions for participating in the Guarantee Program, as prescribed in chapter 39.98 RCW and the rules promulgated thereunder.

Section 16. Supplemental and Amendatory Resolutions. The District may supplement or amend this resolution for any one or more of the following purposes without the consent of the Registered Owner of the Bond:

(a) To add covenants and agreements that do not materially adversely affect the interests of the Registered Owner, or to surrender any right or power reserved to or conferred upon the District; and

(b) To cure any ambiguities, or to cure, correct or supplement any defective provision contained in this resolution in a manner that does not materially adversely affect the interests of the Registered Owner.

Section 17. Execution; General Authorization; and Ratification. This resolution may be executed by the Directors being present and voting in favor of the resolution, or only the President, and attested by the Secretary, in tangible medium, manual, facsimile or electronic form under any security procedure or platform, and notwithstanding any other District resolution, rule, policy or procedure, or in any other manner evidencing its adoption. The Secretary, the President, Executive Director of Business Services, the Treasurer, other appropriate officers of the District and Bond Counsel are severally authorized and directed to take such actions and to create, accept, execute, send, use and rely upon such tangible medium, manual, facsimile or electronic documents, records and signatures under any security procedure or platform, and notwithstanding any other District resolution, rule, policy or procedure, as in their judgment may be necessary or desirable to carry out the terms of, and complete the transactions contemplated by, this resolution and the Bond Purchase Agreement (including everything necessary for the prompt delivery of the Bond to the Purchaser and for the proper application, use and investment of the proceeds of the sale of the Bond). All actions taken prior to the effective date of this resolution in furtherance of and not inconsistent with the provisions of this resolution are ratified and confirmed in all respects.

Section 18. Severability. The provisions of this resolution are declared to be separate and severable. If a court of competent jurisdiction, all appeals having been exhausted or all appeal periods having run, holds any provision of this resolution to be invalid or unenforceable as to any person or circumstance, such offending provision shall, if feasible, be deemed to be modified to be within the limits of enforceability or validity. However, if the offending provision cannot be so modified, it shall be null and void with respect to the particular person or circumstance, and all other provisions of this resolution in all other respects, and the offending provision with respect to all other persons and all other circumstances, shall remain valid and enforceable.
