

8th Grade Shop

Choice Board

<p>Attached is a link to a free 90-day trial version of Rhino 6. Just click on the link below to download Rhino 6 and do a bitmap of your favorite outdoor activity. Examples, (skateboarding, water skiing, snow skiing, mountain biking, golfing) are a few examples.</p> <p>https://www.rhino3d.com/download/rhino-for-windows/6/evaluation</p>	<p>Attached is a link to Easel click on the link below and sign into your account. Once logged into Easel create a sign that is 12 inches in length, 8 inches in width and .75 inches in height. The sign can be of any professional Seattle sports team you wish.</p> <p>http://easel.inventables.com/users/sign_in</p>	<p>Attached is a great YouTube video showing a review of how to set up and cut with the bandsaw. Click on the link below to view. Once finished with the video, list the three things you should be able to do with the bandsaw.</p> <p>https://www.youtube.com/watch?v=k1RA2RncTqc</p>
<p>Go into Canvas and click on my class Industrial Arts (Shop). Once in my class go to modules and scroll down until you see a list of plan sheets. Pick a plan sheet to do. You will see at the very bottom of the page a plan sheet master, print it out. After you print out the master, write the project plan sheet you chose from above onto the blank master form you printed.</p>	<p>Go into Canvas and click on my class Industrial arts (Shop). Once in my class go to modules and review the safety rules and parts for some of the shop equipment. This will be a great refresher to keep you up-to-date on the equipment in the shop that you are already certified to use.</p>
