

# Family and Consumer Sciences Choice Board #3

Monday through Friday choose tasks to accomplish. Submit through email but remember, these activities are OPTIONAL and NOT graded.

<b>Child Development</b>	<b>Interior Design</b>	<b>Culinary Arts</b>
<p>Design an activity which demonstrates what you've learned about child development. Write a guide for someone doing the activity and what they can learn from it.</p>	<p>Create the color wheel by using items from around the household.</p> <p>Take a photo!</p>	<p>Make your favorite dish. Use your creativity to plate it beautifully and take a photo.</p>
<p>Put on your critic hat. Watch a TV show or movie which is advertised to children. Write a short review aimed at parents which answers the following questions.</p> <ul style="list-style-type: none"> <li>➤ What age is the show/movie recommended for?</li> <li>➤ Is the show/movie age appropriate?</li> <li>➤ Is it educational? What can they learn?</li> <li>➤ Is there anything a parent might be concerned with regarding the content?</li> </ul>	<p>You're a game show host! Using material covered in class, think of questions about interior design to ask contestants. Include the answers.</p> <p>Question format may include, but is not limited to: matching, true or false, multiple choice, fill-in-the-blank, short answer, etc.</p>	<p>Make a "How To" video</p> <ul style="list-style-type: none"> <li>➤ How to properly wash your hands</li> <li>➤ How to properly wash dishes</li> <li>➤ How to properly sanitize the kitchen area before and after use</li> <li>➤ How to get ready for entering a kitchen area</li> </ul>
<p>Write a new educational children's book, poem or song.</p> <p>What age is your piece meant for? What can the child learn?</p>	<p>Find recyclable items from around your home and use them to make a 3d model house or apartment building.</p> <p>Take a photo!</p>	<p>Imagine a restaurant that serves your favorite food. Create an advertisement which explains what makes the restaurant unique/special and why the food is so great.</p>
